## No Decision Yet On Pay of GC City Employees

**\$1,754,000 Budget Is Expected To Be Revised Again Before Adoption**

"Everybody is expecting a raise," Granite City aldermen noted Monday night, but no pay changes were listed in tentative budget review that ended in a proposal totaling \$1,754,000. The amount—\$24,000 over the 1962-63 budget—is expected to be increased further.

It was stressed that raises are still under active consideration and that the city council personnel and finance committees will endeavor to meet prior to next Monday's regular council meeting. Emphasis was placed on the need for action in the deliberations carried out at this week's special administrative session.

Adoption of the 1963-64 budget is mandatory by the 22nd meeting, and aldermen indicated they hope to take at least preliminary action next Monday.

**No Extra Police, Firemen**  
During the review, led by Paul Rutledge, finance committee chairman and mayor pro tem, for the night, it was decided to include \$400,000 for a new West Granite fire station, \$16,600 for repair of a damaged fire truck, \$4500 for a possible referendum, \$2500 for an auto for the city building inspection and \$20,000 total for fire insurance, the latter a \$2000 budget increase. Extra police and firemen were eliminated, along with extra pay for the police magistrate.

Council members objected to the level of pay raises proposed for library employees, and the vote was 6-5 to tentatively trim the library board's \$97,083 appropriation to \$85,000. The city attorney was not present, and former City Attorney William Beatty was not informed sufficiently where the six votes were sufficient.

Beatty noted that the council does have direct control over the library budget, and pointed out that the motion was tentative. At least nine votes will be necessary when formal

## Eclipse Here Next Week Can Permanently Damage Eyes

None of the accepted methods of viewing an eclipse, such as through an exposed negative, smoked glass or sunglasses, offers proper protection for the eyes, Frank F. Fowle, president of the Illinois Society for the Prevention of Blindness, warned Quad-Cityans today.

Fowle said that anyone, depending on such filters to look directly at the July 20 eclipse, is in danger of suffering permanent damage to the eyes.

A partial eclipse of the sun will occur over Illinois Saturday, July 20, between the hours of 3:26 and 5:45 p.m. It will be a 77% partial eclipse, and the whole state falls within the area where that particular two hours and 19 minutes could be disastrous to the eyes of anyone who looks directly at the sun. Fowle told the Press-Record.

The eclipse is expected to be visible locally from 3:29 to 4:47 p.m. (central daylight saving time), the 67% of the sun's light obscured.

**Only Safe Method**  
The only safe method of watching an eclipse is by the direct method, Fowle said. This method is based on the general principle of the pinhole camera. The image of the progress of the eclipse is projected onto a white surface and the observer, with his back to the sun, watches the projected image.

The projection is done by making a small pin in a piece of cardboard or a small hole in a piece of paper, and holding it at an angle so that the sun's rays shine through it onto a second white surface placed at the same angle at a distance of five feet.

A Sunscope, which any school can make from cardboard, is a refinement of the projection method and recommended by the Illinois Society for the Prevention of Blindness, 220 South State street, Chicago.

An image is projected through the pinhole in one end of the cardboard onto a white paper inside the other end of the cardboard. A hole, large enough to allow the viewer to put the box over his head and provide ample air space, is cut on one side of the box. The viewer stands with his back to the sun and his head in the cardboard. The sun's image enters the box through the pinhole and appears on the white paper in front of the viewer.

**Never Look Through Pinhole**  
No one must look at the sun through the pinhole, for this only intensifies the rays of the sun and the danger of a burn. Sunscope affords a safe and comfortable way to view the eclipse by the projection method.

Fowle warns that sun glasses are no protection in viewing an eclipse, and quotes the Chicago Ophthalmological Society's official statement as his source of authority.

"There are NO filters generally available through which it is safe to view an eclipse directly. Of those whose eyes have been blinded in viewing an eclipse, most were wearing sunglasses, and some even wore two pairs. Others used photograph negatives, soaked glasses, window glasses or even broken beer bottles."

"With or without pain you can damage your eyes. During an eclipse, over 5500 eyes were burned in Germany. Fifty-nine cases occurred in Seattle, Wash., in 1959. Similar reports have come from almost every country in which eclipses have occurred."

## Girl Suffers Severe Dog Bites In Madison

Debra Frazier, five-year-old daughter of Mr. and Mrs. Lawrence Frazier 2035 (rear) Sixth street, East Madison, was severely bitten by a dog yesterday afternoon and was admitted to St. Elizabeth Hospital.

She suffered bites to the head, stomach, side and arm, including a half-inch laceration to the left forearm and abrasions and lacerations to the left arm.

The dog, owned by Carl Anderson, 2037 Sixth street, was ordered tied up for 10 days for observation.

In another case, a three-month-old dog which bit Jerry Taylor, six-year-old son of Mr. and Mrs. Sam Taylor, 2031 Beckwith street, Madison, died yesterday. Its head was taken to an Eastern State University for examination to determine if it had rabies. The skin on the lower lip was broken by the bite.

## Valuation Cut Of \$10 Million Probable

**Effect On Income Of GC Taxing Bodies Is Cited By Assessor**

Good news and bad news—both relating to a probable \$10 million drop in assessment of taxable Granite City property—were disclosed Tuesday night at school officials discussed a letter from Assessor Von Dee Cruse.

A letter to the taxpayers who are affected, cuts in valuation complicate financing of taxing bodies such as the school system, which is already at its rate limits. A smaller tax base means less operating funds despite rising costs.

In line with talk of submitting a school tax increase to voters within the next two years, so that rates can be raised, the board discussed the advisability of forming an advisory group—composed of a cross-section of citizens—to aid in interpreting school needs.

The letter related that "in referring to my previous letter regarding the revaluation of Granite City township, I have completed preliminary work in this revaluation."

"From all indications, I expect a decrease of at least \$10,000,000 in the assessments being set this year as the basis for taxes to be collected next year."

"I am forwarding this information to you at this time so that you can have the use of same for the preparation of your budget. As I have more complete information, I will keep you informed."

The assessor earlier had advised local governmental agencies that some residential valuations were to be cut 20% in the current quadrennial listings.

**6 1/2% Reduction**  
A \$10 million reduction from the current Granite City township valuation of \$134,642,888 would represent a cut of 6 1/2%.

The Granite City school district, which has a valuation of \$188,581,064 school assessment, also has a valuation cut of 6 1/2%.

No decrease in the \$180 million level, since valuations elsewhere in the school district appear to be remaining stable, it was reported Tuesday night.

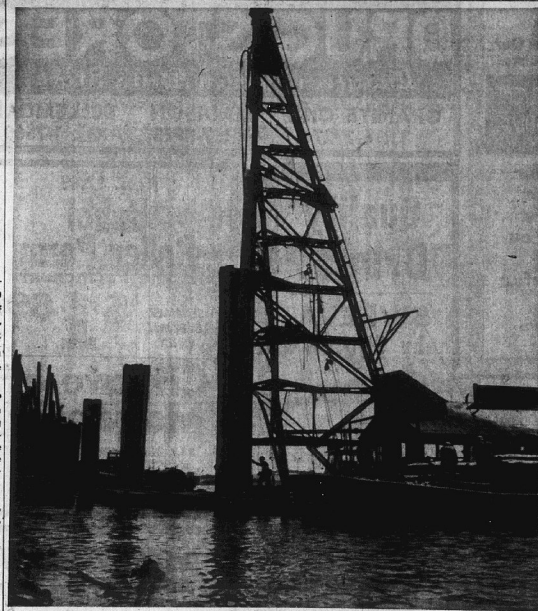

Since the 1963 valuations would have their major effect on the 1964-65 budget, the board authorized St. Elizabeth Hospital to use the \$188 million figure in charting 1963-64 finances.

No decrease in the \$180 million level, since valuations elsewhere in the school district appear to be remaining stable, it was reported Tuesday night.

**To Buy Spray Machine**  
The council approved Maerz's request to negotiate purchase of a new mosquito spray machine from the Tiffany Co. of St. Louis. It was reported that the machine is being purchased for \$1,500.

Maerz said he asked that the machine be obtained from Tiffany because, to his knowledge, it is the only company that can make such a machine.

## 9 Persons Are Injured In Area Traffic Mishaps

Traffic accidents totaled 11 in the Quad-City area this week and caused injuries to nine persons in a wide variety of mishaps.

Lawrence Hengold, 48, Edwardsville, an Army Depot employee, was hurt severely in a one-auto accident at 7:45 a.m. today on Poag road. He was admitted to St. Elizabeth Hospital for treatment of right arm and right knee fractures.

**Boy Hit By Car**  
Emory Wilson, six-year-old son of Mr. and Mrs. Emory Wilson, 214 Missouri avenue, was in critical condition at Cardinal Glennon Memorial Hospital, St. Louis, after being struck by a car at 2:20 p.m. Monday on Auck road at Denver street.

He was unconscious when taken to St. Elizabeth Hospital. He was treated for lacerations on the right ear and head and a severely-injured upper arm, before being transferred to the St. Louis hospital, where surgery was performed.

## \$141,080 Appropriation For Local Port Signed

(Special from Springfield)  
Gov. Kerner this week signed a General Assembly bill appropriating \$141,080 for the Tri-City Regional Port Authority. The measure, which had State Rep. Lloyd C. Harris (D, Oak Ridge) as chief author, is part of an omnibus bill appropriating \$22,396,319 to specific boards, commissions and state agencies.

The appropriation for the Tri-City Port Authority provides \$35,400 for personnel, \$20,000 for extra help; \$70,780 for contractual services (rent of land); \$9,000 for stationery, printing and office supplies.

## Undergo Surgery At St. Elizabeth Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week:

Edith Hobbs, 2217 Orville avenue; Roy Ballheimer, 1814 State street; Frank Laub Jr., 1919 Park avenue; Joseph Wilkins, 2128 Iowa street; George Sikora, 1616 Third street; Madison; Hugh Sathers, 2814 Buena avenue; Dolores Conner, 2435 Madison avenue; Iva Hoffman, 3025 Iowa street; Alice Hoffman, 3224 Aubrey avenue; Geraldine Wallace, 2222 Washington avenue; Lorraine Hunter, 2835 Palmer avenue; Kathy Kennedy, 2528 State street; Alvina Kwiatkowski, 1035 Alton avenue; Madison; Barbara Weir, 1518 Fifth street; Madison; Dorothy Coy, 2937 Wayne avenue; and Florence Day, 2160 Miracle avenue.

## Seek Post Office As Classroom Building

**Proposal Calls For Its Use As Center For Handicapped Students**

A formal request for acquisition of the downtown post office was approved Tuesday night by the Granite City school board. It would be transferred to the school district after the new main post office at 24th street and Madison avenue is completed.

The structure to be vacated by the federal government would be utilized as a center for handicapped pupils, and school officials are optimistic that the plan will win the approval of the U. S. Housing and Home Finance Agency. No payment would be required.

The procedure for disposal of such surplus U. S. property gives taxing agencies like the school system top priority if they desire to apply. The school district is believed to be the only active applicant.

There is hope locally that some type of downtown postal facilities will be maintained, but the government has indicated that it would not consider locating a branch office within the present post office once the new one is in operation.

### Classroom Shortage

Condition of the post office, located on the triangular block bounded by Niedringhaus and Delmar avenues and 20th street, has deteriorated in recent years. It is looked upon as a valuable possession by school officials attempting to cope with the population explosion.

**Theoretical U. S. government** interest in the building would be of little help. After the year's school district would be half owner. After 20 years, it would own the building outright, including using it as the board office.

Current federal regulations require that such policies be altered from time to time, indicating that the office move might occur before the 20-year wait. The district for several years has lessed off space on the main floor of the Labor Temple.

### Remodeling Plan

The application calls for the main floor of the post office to be converted into two classrooms, an activities room, a conference room and a library. Existing offices would not be altered.

In the basement, restrooms are planned. The plan also called for a coal bin would be altered to form an office. O. I. L.

"To show that it is financially able to handle the remodeling, the school district will contribute \$30,000 in its 1963-64 budget for that purpose. Remaining cost is estimated to range from \$15,000 to \$30,000."

### Present special education

classes—those who need no special instruction are assigned to regular classrooms. Those who need special instruction are assigned to special classrooms. The schools made a preliminary plan.

## Patrolman, Police Desk Clerk Hired In Madison

A police department desk clerk and a temporary patrolman were appointed by the Madison city council Monday night.

James Gregg, 25, of 1671 Third street, Madison, was named desk clerk for the rest of the summer. He replaced Calvin Jackson, who resigned following his recent appointment as temporary desk clerk.

Gregg will begin his duties on Monday. He is a teacher in the commercial department at Col. inville high school.

Norris Horton, 23, of 504 Webster street, Madison, was named a temporary patrolman for the West Madison area. He fills a vacancy that was created last time ago by the death of a West Madison police officer. He was selected after an examination conducted by the Madison police board.

CARL MATHIAS, chairman of the commercial division of the Tri-Cities Area United Fund campaign.

### Carl Mathias To Head UF Commercial Division

Carl Mathias, district manager of the Illinois Power Co., has been named chairman of the commercial division of the Tri-Cities Area United Fund campaign. It was announced this week by P. Steinhauer, chairman of the local campaign.

Steinhauer said that Mathias, who was a captain in the commercial division in the 1962 campaign, will head a group with an assignment to solicit UF donations from area commercial businesses.

Mathias has been active in the local UF organization for the past two years and is presently serving on its board of directors and executive committee.

In addition to his activities with UF, Mathias is a member of the local Chamber of Commerce board of directors and is chairman of the chamber's membership and labor committee and a member of its agriculture committee.

Mathias also has been active in local scouting for the past two years. He is presently a member of the executive board of the Cahokia Mound Boy Scouts Council, and was chairman of the 1963 Scouting Fair held at the Granite City Army Depot in April.

### Mrs. Hettie M. Morris Succumbs In Hospital

After being ill with a heart condition for the past seven months, Mrs. Hettie Margaret Morris, 71, of 1422 Sixth street, Madison, died in St. Elizabeth Hospital Tuesday at 10:30 p.m. She had been in the hospital for a week and earlier this year was hospitalized for a month.

Born in Perry county, Ind., Mrs. Morris had lived in Madison for 42 years. She was preceded in death by her husband, Albert C. Morris, who died in 1944.

Mrs. Morris is survived by one son, Julius O. Morris, East St. Louis; one daughter, Mrs. Leonard (Rae) Miller, Granite City; two brothers, Norman Jarboe, Troy, Ind., and Thomas Jarboe of Tell City, Ind.; one sister, Mrs. Rachel Wilgus of Madison; and two grandchildren.

Funeral arrangements are given in the obituary column.

## HOME NOTES

**By MRS. ELAINE P. WENDLER, Madison County Home Adviser, Home Economics Extension, University of Illinois**

This is first in a series of articles on the people of Britain and how they live. I would like to share with you, as we "ate" our way through Europe.

**GREAT BRITAIN**  
The people of Britain are essentially a combination of Romanized Celt, Anglo-Saxon, Dane and Norman French. Great Britain is a beautiful country, and we found the people extremely helpful and friendly. Many times they went out of their way to see that we would get on or get off the correct metro, (underground train system) worse as the language spoken is the Queen's English or an amusing facsimile thereof, instead of the mumbo jumbo one hears on the continent. English and American languages are so different: the British call "My Country" "The Land of the Queen," "God Save the Queen." People in England and Ireland shine on the left side of the road, "as any civilized person should," and measures are not circumscribed by anything as the French, as the metric and decimal system.

Tea is served at the proper hour, even if you are at the theater. They seem not to be too happy with heavy sauces on their food, such as the French have.

London, capital of Britain and the citadel of the British Empire, is truly a fascinating city. It is actually a conglomeration of villages that number 39 and have brought 10 million people together in a vast metropolis.

The river Thames runs through London and the city sprawls in all directions, encompassing miles of things of interest to the traveler.

The London policeman or "bobby" is truly a friendly and patient man. His nerves must be made of steel to stand the stress and strain of the London traffic. London, like the rest of Europe, has been invaded by the espresso coffee craze. My husband and I never could understand how anyone could run a cup of coffee as they do with espresso. And it became progressively worse as we traveled throughout Europe.

Tea, however, is not to be excelled anywhere in Europe. England certainly ranks first in good tea. Colored and white sugar (very coarse), brown sugar and lemon are served with the tea.

We were given the impression in England we would find the horrid of boiled cabbage, unidentifiable grey meat and indigestible half-baked puddings, but this was not true. We had delicious English roast beef with Yorkshire pudding and a blueberry custard out of this world.

Breakfast was continental and consisted of porridge, eggs baked with sausage, bacon and half a tomato. Dry toast, butter and delicious jam and of course tea or espresso coffee.

English love their kippers also for breakfast. These are herrings which are smoked in a special way and are eaten for breakfast or supper.

The Banbury tarts and tea cakes were delicious at Banbury, England, actually, the best we tasted throughout Europe. Steak and kidney pie is quite a favorite of the English, as are Cornish pasty, jagged hares, Irish stew, Welsh rarebit and Lancashire hot pot.

Perhaps you would like to try your culinary skill on the Banbury cakes recipe. Good luck! Serve it with a "spot of tea" at 4 p.m. and you will be quite English.

**BANBURY CAKES**  
1 recipe of flaky pastry  
1 Tablespoon butter  
¾ cup currants  
1 Tablespoon candied peel  
1 Tablespoon bread crumbs  
1 Tablespoon brown sugar  
1 Tablespoon rum or brandy  
¾ Teaspoon mixture cinnamon and grated nutmeg. Roll out

## Prowl on Edgewood Cornered But Escapes

A prowler who has been operating in the 3000 block of Edgewood avenue for the last four weeks was caught early yesterday morning, but got away.

"We finally cornered him," one woman who wished to remain unidentified said. "We knew what he looks like now. We chased him, but he's a fast runner." She said she and her husband lost him on Edgewood. He had disappeared when police arrived.

Residents of the neighborhood have been concerned and are losing sleep, the woman said. The man peeks into windows and watches on screens, she added. Police have been called to the neighborhood frequently because of the prowler, she said.

The pastry to about ¾ inch thick and cut into rounds 3 inches in diameter. For the filling, melt the butter and stir in all ingredients until well mixed. Place a spoonful on each round of pastry and fold up, pressing the edges together.

Roll out into oval shapes and cut 3 parallel grooves in the center of each one. Put on a greased baking tin, brush with water and bake in a hot oven (400°) for 30 minutes, or until delicate brown. Sprinkle with caster sugar (coarse sugar) and put back in the oven for a few minutes.

## FLAKY PASTRY

2 cups flour  
1 cup plus 2 tablespoons fat  
butter and lard mixed  
¾ teaspoon lemon juice  
¼ cup cold water

2 to 3 tablespoons cold water  
Mix salt with the flour and sift into a bowl. Divide the fat into four parts and rub one quarter into the flour at a time. Add the lemon juice and enough water to mix to a dough.

Roll into a long strip about a slightly floured board. Spread another quarter of the fat, cut into small pieces, down two-thirds of the way of the pastry.

Fold the pastry into the end portion without the sprinkling of fat. Press the edges of the pastry together and roll out lightly. Repeat the process with the remaining two portions of fat then leave in a cold place for about an hour.

Finally roll out to the required shape and use.

Richard Moore, who has a lot at Lindell Blvd. and Franklin avenue, was allowed to construct a house on the lot despite the lot size.

## Shed And Garage Are Damaged By Fire

Damage estimated at \$250 was caused to a shed owned by Theodore Overbeck at 1919-21 Benton street at 3:10 p.m. yesterday by a fire apparently started by burning rubbish in an alley at the address. The fire also caused an estimated \$50 damage to a garage at 1923 Benton owned by Sinbad Kasparian.

The downtown department answered a false alarm at 25th and Center streets at 8 p.m. Wednesday.

### 9 Persons Hurt

(Continued from Page 1.)

In the first grade at Washington school, was struck by a car driven by Bessie C. Keeton, 57 of 2619 West 22nd street, as he was crossing Rock road. The car was headed east.

Tammy Hufford, three-year-old daughter of Mr. and Mrs. Truman Hufford, 2024 Washington avenue, was brushed by a car Tuesday afternoon but incurred only slight bruises to the left knee.

A friend of the Hufford family, Charles Roberts, who saw the accident while at the Hufford home, said Tammy ran from between two parked cars to cross the street toward her mother when she saw Mrs. Hufford come into the yard.

Mrs. Joseph Ray, 1738 Cleveland street, who was driving her car along Washington avenue, applied the brakes and the auto touched the girl as it came to a stop.

The child was taken to St. Elizabeth Hospital, where x-rays were taken. She was kept overnight for observation.

Richard Bleker, three-year-old son of Mr. and Mrs. Leonard Bleker, 2144 Adams street, was struck from his tricycle by a delivery truck which was backing out of the driveway at 2140 Adams street at 1:15 p.m. Tuesday.

Glen Wyatt, 44, of 2473 Center street, the driver who had a delivery, told police "I heard a child cry. I had moved the truck back about two feet. The boy had fallen off his tricycle, and was under the truck."

The boy had no marks or scratches on him, Wyatt said, adding, "He just seemed to be scared."

Two persons were injured when a car driven by Daniel L. Harris, 17, of 1916 Adams street, collided with a truck at the Tri-City Grocery Co. warehouse in the 1600 block of State street and caused a chain reaction at 1:05 a.m. today.

The first truck was knocked into a second, which was knocked into a third truck, Harris and a passenger, Jimmy D. Stockton, 16, of 4008 Kirkpatrick Homes, were taken to St. Elizabeth Hospital.

Stockton, who was admitted, suffered multiple lacerations to the face, lower lip and chin which required 62 stitches. Harris, treated and released, had abrasions on the right elbow and left knee and scratches on the left upper arm. Harris said he fell asleep at the wheel. He was charged with careless driving.

Michael McMillan, 12, son of Mrs. C. A. McMillan Jr., 2840 State street, suffered a possible fracture of his right ankle at 7:35 p.m. yesterday when his foot became caught in the spokes of a bicycle.

He was riding on the crossbar of a bicycle operated by Gary Kahn of Fehling road and State street. He was admitted to St. Elizabeth Hospital, where x-rays were taken.

Harold Sullivan, 16, of 617 Chouteau avenue, Mitchell 31, suffered abrasions to his left side, right elbow and both shoulders Tuesday at 11:35 p.m. when he fell from his motorcycle while riding it on Tennessee avenue near his home.

He lost his balance while trying to straighten his leg after suffering a cramp. The cycle went out of control and he was thrown to the ground. He was taken to St. Elizabeth Hospital, where he was treated and released.

## Dog Causes Crash

A dog riding in the back seat of an auto driven by Mr. Merle Whitaker, 38, of 2493 Waterman avenue, caused an injury accident Monday evening when it pushed a door latch.

The door opened and disoriented the driver, who turned his head to see if anyone had fallen out. The car hit a utility pole on the front lawn of the home of Mrs. Lillian Naeve, 4028 Stearns avenue. The pole and a wire tumbled down.

Mrs. Whitaker suffered a broken nose, a skinned elbow and a bruise to the side. She was taken to St. Elizabeth Hospital for emergency treatment and was released.

Other passengers in the back seat were her husband, Eugene, and son. Her husband had just closed the door when she turned. There was no damage to the Naeve property, police were told.

## Six Zoning Requests

Approved By GC Board

The Granite City zoning appeals board heard six requests for exemptions from zoning ordinances yesterday and approved all six.

Henry Carlyle, 2904 Graham avenue, was building a 16x20-foot garage attached to his house.

Floyd M. Kinney, 3008 Sunbury street, wanted a carport attached to the end of his house. Carl Paoli, 2517 Edison avenue, will replace a recently removed garage with a 20x23-foot carport, and Walter Christensen, 3228 Carleton avenue, was allowed a two-foot setback for an unattached garage to be built behind his home.

Bernard Zahawa, 2916 Dogwood drive, was allowed a four-foot setback for an unattached garage.

Richard Moore, who has a lot at Lindell Blvd. and Franklin avenue, was allowed to construct a house on the lot despite the lot size.

## Thieves Concentrate On Bicycles; 10 Stolen

Bicycles were the favorite targets of thieves here this week, with 10 reported stolen by police. Five bicycles were stolen Monday afternoon and Tuesday morning. It was reported to Granite City police.

Joe Champion, 3038 Iowa street, reported a boy's red and black and chrome bicycle was taken from the Wilson Park pool area. James Walker, 2138 Lynch avenue, said a new bicycle was taken from his home.

Gregory Jones, 2506 Kirkpatrick Homes, reported that a boy's red racer bike was taken at Wilson Park. Forrest Brown, 2533 Center street, related that a 26-inch blue was taken from his garage.

Two bicycles were stolen yesterday. Robert Conway, 5101 Wayne avenue, said a boy's red bike was taken from the Belleme Village shopping center. Beverly Gehring, 2250 Bennett street, reported a girl's blue 23-inch bicycle was stolen from the home.

**Three Bicycles Taken**  
Three persons reported thefts of bicycles Tuesday to Granite City police. One bicycle was recovered. Catherine Wingerter, 3002 Kirkpatrick Homes, said a red racer bike was taken from her yard the night before; it was returned. Forest Brown, 2533 Center street, reported a 26-inch wheel bicycle was taken from his garage. Doris McClure, 2110 East 20th street, reported a boy's 26-inch bicycle stolen from Wilson Park.

**860 Lost Or Stolen**  
Ronald Guenther, 2127 Missouri avenue, reported at 9:25 p.m. Tuesday that three \$20 bills were lost or stolen from a metal box in a desk at his home.

He said he took a three-day vacation June 27 but did not discover the money was missing until Tuesday. There were no signs of foot entry but the home was unlocked. Coins on top of the desk were not disturbed.

Mrs. John Harbig, 2200 St. Clair avenue, reported to police yesterday that some valuables entered her basement, which was open, and took a set of drapes. Another set was left in the yard.

Laurel McFarland, 6737 Danvers street, reported to police at 4:05 p.m. Tuesday that someone had taken a tire and wheel from the trunk of her auto.

Mrs. Harold Dalhaus, 1413 Twenty-first street, reported yesterday that a hubcap was stolen from her auto while it was parked in her back yard.

## Madison Building To House Roofing Company

A building at 800 State street, Madison, was purchased Wednesday by John Janco, owner of the Quad-City Roofing Co.

The building, vacant for the past two years, was sold by Mrs. Sarah McGarvey through the Cochran Real Estate Agency.

A spokesman for the agency said Janco also purchased two lots adjoining the McGarvey building, and will use the facilities as a home and to house the roofing business.

Many bid for the post office previously, but the government withdrew the building from the surplus list when plans for a new post office were delayed.

School Attorney Maurice Dalley presented a resolution, which all seven board members signed Tuesday night, pledging that the building would not be sold for non-educational use. Signatures also are being obtained from members of the County Board of School Trustees.

**Ask Action On Certificate**  
In other business, the board unanimously except for Secretary George Stidham, who had left the meeting to report to work—adopted a resolution calling on State Supt. Ray Page and County Supt. Wilbur Trimpe to revoke or otherwise correct certification records relating to Harry Wade, non-tenure teacher who has not been retained for the 1963-64 year.

The resolution also asks Page, Trimpe and the State Teacher Certification Board to investigate whether Wade's efforts to keep an allegedly erroneous certificate constitute unprofessional conduct that would justify suspension.

The teacher is seeking a court judgment declaring that he is on tenure, and serving of the summons on President Ralph Erickson was reported at the board meeting.

The board authorized Dalley to represent it in the Wade suit and in a suit by the A. H. Seebold Co. for payment on work performed at Coldridge Junior high school additions as a subcontractor to the Studebaker firm. The bonding company also has been notified of the Seebold case. Brief discussions were held on efforts to improve ventilation in upstairs rooms at Niedringhaus grade school, the problem of new paint causing school windows to stick, potential hazards at the Mitchell grade school addition site, possible further expansion of the driver training program and possible acceleration of bid opening and analysis procedures.

### Display Titles Required On All Mobile Homes

Secretary of State Charles F. Carpenter today reminded mobile home owners that, as a result of emergency legislation passed early in the recent session of the General Assembly, they are now required to exhibit a display title on their homes.

Effective date was April 1 and the enforcement date set by the Department of Revenue was July 1. Violators are subject to a fine of \$25 a day for each day they are in violation.

The display title is an exact reproduction of the regular motor vehicle certificate of title, except that it contains no information about any existing lien, Carpenter said. In addition, the title, Non-negotiable, are stamped on it. The fee required by law is \$1.

Mobile home owners who presently hold a certificate of title may apply for the display title only. Those who do not hold a certificate of title must apply for both, submitting proof of ownership in the form of a manufacturer's statement of origin or a surrender title assigned to the present owner. In cases where both titles are needed, the fee is \$2.

Application for the display title may be made on the same form as for the regular certificate of title.

If the mobile home was purchased before April 1 of this year, no proof of payment of the Illinois use tax is required. But if the purchase was made later than April 1, the application must be accompanied by evidence that the tax was paid, a statement from the Department of Revenue that the transaction is exempt, or a check, payable to the Department of Revenue, to cover the amount of the tax.

To assure prompt delivery, Secretary Carpenter urged mobile home owners to do two things before submitting their applications: determine whether they have a regular certificate of title, and be sure they enter the actual serial number of the unit on the application.

Another provision of the new legislation required mobile home owners to report to the Department of Revenue by July 1 the names of all occupants of the court whose units did not have the display title, and to report within 24 hours the name of any new arrival not having the display title.

### Work Begins On New Showroom At Mathews Agency

Concrete pilings are being driven into the ground this week at Mathews Chevrolet Co., 1511 Niedringhaus avenue, in preparation for construction of a new two-story showroom adjacent to the building now housing the showroom and garage of the automobile company.

The new structure is expected to be completed by October for the showing of 1964 model cars. Fifty-two steel-reinforced pilings, each 30 feet long, are to be pounded into the ground by a steam-driven vulcan hammer suspended from the boom of a crane. With each blow of the hammer, the pilings are driven into the ground by a force of 10,000 pounds. When the pilings reach such a depth that it takes three blows to drive them an inch deeper, they will support a weight of 30 tons.

The pilings will support a building 200 feet long and 55 feet wide.

**\$110,000 Project**  
The building expected to cost about \$110,000, will be a versatile structure, Milton Mathews, president of the firm, said. With little exterior modification, it could be converted to a library, motel or medical center, he noted.

Fifty new cars and at least 50 used cars will be on display in the building at all times. The new cars will be displayed in a showroom on the ground floor, and the second story will serve as an "indoor used car lot," it was explained.

The upper deck will be open on the sides, but will have a metal roof. It will be designed so that the upper deck could be glassed in with slight alterations.

To assure prompt delivery, Secretary Carpenter urged mobile home owners to do two things before submitting their applications: determine whether they have a regular certificate of title, and be sure they enter the actual serial number of the unit on the application.

Another provision of the new legislation required mobile home owners to report to the Department of Revenue by July 1 the names of all occupants of the court whose units did not have the display title, and to report within 24 hours the name of any new arrival not having the display title.

### Restrictions On Authority Of School Board Members Cited

Limits on the authority of school board members under rules of the North Central Association of Colleges and Secondary Schools were outlined at Tuesday night's Granite City school board meeting. Accreditation by the association is necessary in order for high school graduates to easily qualify for acceptance at universities.

The discussion was brought up at the request of Board President Ralph Fricker and was led by Supt. Harold M. Kaiser.

Both stressed that no specific inferences were intended, and that the reason for the discussion was that no such reviews had been held since most current board members had been elected.

However, contact between board members and employees submitting complaints and suggestions "out of channels" has become more frequent in the past several years, board discussions have shown, and it was noted.

**Through Superintendent**  
It was noted that North Central stipulates that "the board of education is entrusted to the school system is entrusted to the board of education, the administrative head (superintendent) of the school system."

Other requirements mentioned were: "Responsibility for determining the general policies of the school system is entrusted to a governing board, hereafter designated as the board of education."

"The board functions only when in official session; at other times its members have no authority in school matters, except as specifically authorized by the board."

**Selection Of Employees**  
"The administrative head of the schools is the chief executive officer of the board of education. Subject to the approval of the board of education, the administrative head is responsible for the selection and assignment of all school employees, the business management of the schools, including school plant and equipment, the administration and supervision of the educational program and the program of public relations."

These duties necessitate organization of resources, both material and personal; delegation of duties and authority; and supervision of all delegated tasks and of all individuals to whom authority and responsibility are assigned.

"The better the administrative personnel, the more efficient will be the organization and management and the greater the probability of the successful attainment of the school's objectives, provided the personnel is always mindful of the primary function of the school — the development of its pupils. Success should be measured in terms of results, not of machinery."

"The administrative head of the school system attends all meetings of the board of education."

"The board of education employs, promotes, denies and discharges staff members and other employees only upon the request of the administrative head of the school system."

**Source Of Recommendations**  
While the board does not necessarily have to accept recommendations, it cannot initiate its own recommendations in the categories where the superintendent is designated to submit them, it was brought out.

Board Member Ralph Bukski pointed out that a board member might see a hazard or law violation, and was assured that the superintendent would be able to deal with it effectively by subjecting it to the board of education.

North Central requirements exceed those in the state law in most cases, but members in such an association is essential in order to have a "first-class high school," Dr. Kaiser said. He added that there have been proposals to extend such ratings standards to the junior high level as well.

Board Member Daniel Linder commented that while individual members have no powers except when the board is in session, information they gather between meetings adds them in making policy decisions. School Treasurer Monroe Worthen described the review as a "good idea," in that it can help make it clear that board members have policy-making rather than administrative duties.

The discussion noted that many citizens and school employees think of board functions as having a broader scope than is permitted by the accrediting association.

### Work Begins On Tri-City Port Access Roadway

Construction work on an access roadway at the Tri-City Regional Port Authority harbor began this week, it was learned from Commander John Barron, port manager.

The construction contract has been awarded to the A. H. Seebold Co., which submitted the low bid of \$29,297.

The 3000-foot asphalt road will extend from the top of the canal at the end of Rock road and will proceed down the levee on the canal side to the north end of the canal harbor.

At the end of the harbor, a multimillion dollar development is planned by the Port Authority for truck and barge loading and unloading facilities.

### Radar Unit Nabs 13 Drivers For Speeding

### Job's Daughters Council Installed

Job's Daughters Bethel 43 met Tuesday evening at the Masonic Temple.

Miss Lydia Teller, honored queen, was the presiding officer and the executive and associate council members were escorted and introduced.

"Mrs. Lida Theis, past grand guardian of Job's Daughters of Illinois, assisted by Carol Luer, guide, and Cherie Jones, recorder, installed the members of the executive and associate council. They were Mrs. Nell Baskette, guardian; Mrs. Bess Henley, guardian secretary; Mrs. Edith Champion, guardian treasurer; Mrs. Lura Stein, director of music; Mrs. Martha Bischoff, director of epochs; Mrs. Hildred Lewis, hospitality chairman; Mrs. Betty Martin, hospital committee; Mrs. Bernice Williams, sociability; Mrs. Virginia Carroll, paraphernalia; Dr. Amos Rode, promoter of fraternal relations; and Arthur Luter, promoter of transportation.

The remaining members of the council will be installed at a later date.

Refreshments were served by the Job's Daughters' Mother's Club to approximately 75 members.

The council members are to be honored at the next meeting.

### Hostess To Two Clubs Yesterday

Mrs. Jean Barnes, 1720 Primrose avenue, was hostess to two clubs Wednesday.

In the afternoon, members of the Jolly Twelve club were guests at a noon luncheon, followed by pinocle games. Prizes went to Mrs. Sophie Parker, Mrs. Myrtle Ryan, Mrs. Kathryn Smithson, Mrs. C. W. Genard, and Mrs. Belva Lewey, of St. Louis, who was a guest.

Another group entertained by Mrs. Barnes last night consisted of eight members of the Anniversary club and a guest, Mrs. Pauline Hendricks.

Awards in the games went to Mrs. Florence Haven, Mrs. Myrtle Ryan, Mrs. Louise Thompson, Mrs. Irma Taylor and Mrs. Kathryn Smithson.

The club will meet again in August with Mrs. C. W. Genard, 1736 Primrose avenue.

### AMVET AUXILIARY PLANS FUTURE EVENTS

Plans for future events, including collection of canned goods for baskets to be distributed at Christmas and a bake sale in September, were made last night at a meeting of Amvets Auxiliary Unit 51, Proceeds of the bake sale will be contributed to the Alton Hospital.

The unit also donated a sum to child welfare. Mrs. Nadine Harrison was presented with a birthday gift by her son, "Al," and the prize for the evening went to Mrs. Jewel Taylor.

Refreshments were served to the Auxiliary and to the Amvets who met at the same time. Those present included Mesdames Charlene Sanders, Pauline Wickham, Betty Greer and Bertha Macias.

The next meeting will be held July 24.

### SPLASH PARTY FOR JOB'S DAUGHTERS

A splash party was held last night by Job's Daughters Bethel 43, at the Wilson Park pool, with 30 girls participating. Chaperones for the occasion were Mrs. Nell Baskette, Mrs. Bess Henley, Mrs. Hildred Lewis, Mrs. Bernice Williams, Arthur Luer, Mrs. Pat Ralls, Mrs. Margie Brannan, Mrs. Martha Bischoff and Robert Carroll.

### ON EUROPEAN TOUR

Misses Lorraine, Eunice and Julianne Hatcher, 1315 Fourth street, Madison, sailed Tuesday aboard the S. S. Hansatic for a six-week tour of Europe. While away, they plan to visit relatives in Germany and to spend some time in Switzerland, Italy, France and England.

### RETURN FROM TEXAS

Mrs. Mae Warren, 3809 Kirkpatrick Homes, accompanied by her son and daughter-in-law, Mr. and Mrs. Oscar Warren and their family, Rural Route One, returned Monday from Campbell, Tex., where they spent two weeks visiting her daughter, Mrs. Betty Willoughby.

### Mistrial On 2 Charged By Narcotics Agents

(Special From Springfield)

Trial of Gerald Myatt, 23, Madison, and Landon Fisher, 31, Rural Route One, was declared a mistrial Tuesday by Sangamon County Circuit Judge Creel Douglas after a prosecution witness, Charles Moore, a state narcotics investigator, explained his use of slang in answering questions.

Asked by the defense attorney, he said such words are required in conversations with members of the underworld. The judge approved a mistrial motion on the ground that the answer inferred the defendants are associated with the underworld. The case was rescheduled for Sept. 9.

The two were arrested March 6 at a roadblock north of Springfield on charges of larceny and conspiracy to violate the state narcotics law.

GO TO CHURCH SUNDAY

CRUISING ABOARD the steamship Ariadne were Mr. and Mrs. Meredith Mullen, left, of 1532 Seventh street, Madison, who were accompanied by her brother-in-law and sister, Mr. and Mrs. Michael Rey of Manhattan Beach, Calif. (right). They visited San Juan, Puerto Rico, and St. Thomas, Virgin Islands, in a seven-day voyage out of Miami, Fla.

MR. AND MRS. MICHAEL ANTONOVICH who were married recently at the Maryville Assembly of God Church. The bride is the former Carolyn Gall, a daughter of Mr. and Mrs. Charles Sulton, 2027 Sken street, Madison.

## State Capitol NEWS

Quotas for shotgun deer hunting permits have been filled for North and South Pope county. Hardin county and Clinton county, the Illinois Department of Conservation announced this week.

William T. Lodge, director of conservation, said applications are being returned to hunters who applied for permits in the three counties.

Lodge urged hunters to re-apply for a second choice immediately.

Traffic deaths in Illinois during the first half of the year totaled 876, an increase of 84 or 11% over the same period last year, Francis S. Lorenz, director of the Illinois Department of Public Works and Buildings, has announced.

Lorenz said that reports compiled by the Division of Highways and Illinois State Police show that during each month of 1935 the number of traffic fatalities has increased over the corresponding month of last year.

June fatalities in the state totaled 183. This is an increase of 14 deaths, or 8%, from the same month a year ago.

Gov. Otto Kerns has announced the appointment of Hollis W. McKnight, Springfield, as warden of the new minimum security prison at Vienna. The appointment is effective at once.

McKnight, superintendent of prisons since 1932, will continue to serve as acting superintendent of prisons.

Gov. Otto Kerns has predicted that 2.5 million tourists would visit Illinois' newest tourist attraction — the 93-mile Lincoln Heritage Trail — during the summer.

He also stated that legislative approval last week of his match-making bill appropriating \$500,000 to the Illinois Board of Economic Development to promote tourism in Illinois was "the culmination of a year which has seen more done by the state to promote tourism than ever before in our history."

The governor suggested that tourism could help solve the unemployment problem in Illinois because the jobs it created were service jobs that would not be automated.

In his remarks at the national convention of the National Association for Advancement of Colored People in Chicago, Gov. McKnight said: "We are living in a revolution—a revolution in the minds, in the manners, and, we hope, in the hearts of men. This revolution is historic wide in extent. It has deep historic roots. It is fraught with most momentous consequences. It is the continuation, and in many ways, the fulfillment of the ideals of the American Revolution and the ideas expressed in the Declaration of Independence."

"In this revolution of our time, in the renewed struggle to embody the ideals of the Declaration in the life of our country, we must use all our courage, all our charity, and all our wisdom to keep this revolution peaceful and constructive."

"I can assure you," the governor said, "the 'Land of Lincoln' will be no laggard in the continuing cause of man's emancipation."

A bluegill caught by Ernest Sullivan of Marion is now officially recognized as a state record, the Illinois Department of Conservation has announced.

The fish was 11½ inches long and weighed two pounds, 10 ounces — two ounces heavier than the previous record bluegill for Illinois. A 4½ pound bluegill caught in Kewanee Lake, Ala., in 1930 holds the world's record for this species. Since Illinois has a much shorter growing season than Alabama, it is doubtful that a native bluegill of this size will ever be caught in Illinois.

Sullivan caught his fish on a spinning rod and was using a live worm for bait. It was taken from a small strip mine north-west of Marion.

## I-C Blues Pound Reds 13 To 3 At Collinsville

## Dillinger's Homes Is Big Blow; Vetter Gets Victory

Seven Red division errors and a 15-hit attack against four hurlers boosted the Blue division club to an easy 13-3 victory last night at Fletcher Field in Collinsville in the 15th annual Southwestern Illinois Inter-City Baseball league all-star contest.

The Blues, beaten the last two years in the mid-season event, never trailed as they piled up a 8-0 lead in five innings. The winners now have a 2-6 edge in all-star game competition.

Dick Dillinger of St. Clair flouting struck the game's most telling blow in the fifth inning when he tagged one of Moose Lodge Gary Stokes' pitches for a three-run homer.

Crossing the plate ahead of

Dillinger with the first earned run of the game for the Blues were Charles Johannmeier of Mercer and Dave Carnaghi of St. Clair Heights.

**5 Unearned Runs**  
Manager Rich Ryan's victorious club took advantage of Red division hobbles in the early innings to score five unearned runs off starter and loser Don Coker of Troy and Stokes, who pitched the fourth and fifth frames.

Ray Presson of Collinsville hurled the next two frames, and was touched for a single run in the seventh. His successor, Frank Gavillet of Collinsville, did not escape so easily. The Blues shoved across four more runs in the ninth to make the outcome the most one-sided in the history of the all-star series.

**Shutout For 6 Frames**  
Bob Vetter of Mercer and Dave Rommelspacher of Pontias baffled Red division batters for the first six innings.

Rohr tossed three innings of shutout baseball, with starter Vetter getting credit for the victory.

The Reds finally broke the ice against the third Blue hurler, Don Florini of Carpenter, in the seventh, scoring once. They added two more in the eighth. But by then it was in a lost cause.

Twenty players got into the

game for Manager Paul Schuler's (Sacred Heart) Red division club, while Ryan used 16. Mike Suess of Sacred Heart and Mercer's Johannmeier had two hits each. Clarence Jones of the Hearts had a single and Mercer's Don Crabtree got a double.

A large crowd was on hand for the night game at Collinsville. The all-star contest had been postponed from Sunday afternoon until last night due to wet grounds at Carpenter.

# Entries Being Accepted For Regional Slow Pitch Tourney; Winner Goes To State Finals

Entries are now being accepted for a slow pitch softball regional tournament here which will produce one entry for the first state slow pitch tournament under Amateur Softball Association sanction, also scheduled in Granite City.

Granite City park district director of parks and recreation Harold Brown, who is also the ASA regional commissioner, said today that interested teams may pick up ASA entry blanks at the park office.

The date of the regional tournament, to be played at Wilson Park, has not been set. However, it must be completed before the state finals begin here Aug. 2. Brown has set July 21 as the regional entry deadline. Teams pay a \$15 entry fee to the ASA.

**8-Team State Tourney**  
The GC regional winner will join seven other teams in the double elimination state finals, with the champion of this tourney qualifying for a trip to Jones Beach, N. Y., for the national ASA slow pitch finals Aug. 3-Sept. 2.

Automatically qualifying for the state tourney will be the leaders (as of July 21) in the park's Church Slow Pitch and 35-Plus Slow Pitch leagues, plus the leader in the Quad-City Tavern Slow Pitch league.

A one-game playoff between

the two division leaders will be necessary to determine the Church league representative, Brown said.

Two teams from Alton and another from East St. Louis will help make up the field for the Aug. 2-4 state finals at Wilson Park.

Brown advised managers that no Class "A" ballplayers are eligible to compete in the ASA slow pitch eliminations. Class "B" ballplayers, as determined by ASA rules, are eligible, however.

## Classic Wins To Spengler-Dawes, MBC

Spengler-Dawes moved up a notch to second place in the "A" division of the Granite City park district's Classic Softball league Tuesday night by defeating Union Star 5-3 on the five hit pitching of Carol Tingley.

Tingley had a two-hit shutout in the works until Union Star put together three hits, a walk and an infield error in the seventh to score all three of its runs.

The winners had at least one hit off Bailey Walker in each inning.

Larry Sides, who had two doubles and a single for Spengler-Dawes, drove in two runs. Larry Diak and Bill Fedorchak had triples for the winners, who moved into second place behind Ed Millie & Mickey's after Rome & Roy's was upset by Madison Bowling Club in the first game, 4-2.

Rich Buer blanked Rome & Roy in all but the first and final frames, and it was walks in those innings which led to the losers' two runs.

## Leave 10 On Base

MBC scored twice in the second, tallied once in the fourth without a hit, and added an insurance run in the seventh. Rome & Roy's left 10 runners stranded on the bases.

Tonight at the park the two division leaders, Millie & Mickey's and the second place team, the Uniwah Field Archery club, both hold amateur expert "A" qualification cards and, with one or two other persons advanced in the sport, would serve as instructors for members of the new club.

Members would need to furnish their own equipment (bow and arrows), while we would furnish targets, an indoor archery range and the necessary instruction," James Bladick said.

"We also have about seven bows available, and would be willing to give instruction with this equipment to persons who would rather try the sport before investing money in their own equipment," he added.

A suitable indoor range which could be used the year 'round is being sought, and the instruction to new club members would be offered free of charge. Team and individual competition is planned once the organization gets off the ground.

Younger persons also are being encouraged to join the new club, which will begin meeting as soon as membership merits require instruction and range.

Interested persons may contact James Bladick at TR 7-6326.

## Charter Bus For Little League Game

Nameless Little League officials are planning to charter a bus for a round trip to Herrin Thursday, July 18, when the Little League's all-star squad will begin competition in eliminations that will eventually lead one team to the national Little League title at Williamsport, Pa., later this summer.

Parents and interested persons may call Omar Ronik, TR 7-1814, to make bus reservations. Cost of the round trip is \$2.60. The bus will depart from the Little League diamond at 4 p.m. July 18.

makes that type of equipment. He added that if another is found and bids lower, it will be considered.

The mayor announced that he would attend Governor Otto Kerner's civil rights conference held in Springfield yesterday.

## Reading Room Proposed

The council authorized Maeras to submit a request to the Madison library board to establish a reading room in the West Madison community center.

Maeras said that he acted in behalf of a West Madison club which recently requested the reading room.

A spokesman for the club said in a letter to Maeras that because of heavy traffic on State street and Madison avenue, young children in the area are unable to attend the Madison library unless accompanied by an adult. The spokesman added that, because of this, a reading room in the center is a necessity.

The council approved special police funds for John H. Stank, Otis Hollenbach, Peter Feurich and Joseph Scrum.

increase adopted by the Illinois legislature.

A financial factors and enrollment prospects are to be reviewed in detail prior to the budget action at the next meeting.

Tuesday's discussion on whether to set up an advisory committee within the community was launched by Board Member Daniel Linder, who suggested that it include representatives of all segments of the district. He said such a group could be of aid to the schools in planning to meet the needs of the coming years.

School Treasurer Monroe Worth then agreed, commenting that if a referendum is to take place within two years, the preparation should begin long before then.

city budget action is taken, he said.

**Truck For Humane Officer**  
After a 25-minute delay at the start of the meeting while the council awaited the arrival of a ninth member—needed to form a quorum—the aldermen voted 9-1 to accept a bid of \$1850 (\$1810 less \$160 trade-in allowance on a 1958 truck) from Matthews Chevrolet Co. on a van-type pickup truck to be used by the city humane officer.

Nine were present when Sam Whitmer, committee chairman, presented the recommendation. Brewer Motors had submitted net bids of \$1500 on a half-ton pickup truck and \$1850 on a station wagon.

It was believed that nine favorable votes were necessary for approval. When Alderman Walter Norn announced that he favored the half-ton truck, Whitmer charged that Norn was merely expressing anger over not being elected to preside in the absence of Mayor Leonard Davis. The mayor had appeared briefly and then said he was having to attend another meeting.

Whitmer said he had explained the bids to the aldermen prior to the formal start of the meeting. All including Norn, had indicated their agreement, he asserted. Whitmer said the selected truck offered good ventilation and year-round use, while a cage would have been to be constructed in the rear of the \$1500 pickup truck.

Norn, who had walked to a point near the presiding seat before the group elected Rutledge to preside, noted that the pickup truck was cheaper. Whitmer cited the cost of constructing a wire enclosure if that model was purchased.

Mrs. Gabrielle Betine arrived before the roll call and voted favorably along with Rutledge, Casner Skubish, Whitmer, Daniel Johnson, J. D. Berfield, Charles Moerlein, G. H. Sternberg and Earl Thompson.

Step Replacement  
By a 10-0 vote, the council accepted a \$1380 low bid from Tom Skierie, 1642 Olive street, to replace a damaged car.

Alderman Skubish suggested purchase of individual desks for council members and Mrs. Betine explained seating arrangements that are under consideration. The desks would be moved to the side of the city courtroom when the council was not in session. Aldermen currently sit at two tables.

## Auto Strikes Parked Car, House On Madison

An auto driven by Vasil Mihov, 66, of 2008 Victory drive, struck a car parked at 1428 Madison avenue, went through two front yards and hit the side of the home of Mrs. Mary Deider, 1428 Madison avenue, at 6:10 p.m. yesterday.

Mihov, unhurt, was charged with careless driving. The car had damage to the left rear. It went through the front lawn of Frank Poretsky, 1420 Madison avenue, and narrowly missed a tree before entering the Deidera property. A few panels of redwood siding were damaged on the house. Both lawns were damaged.

A resident of the Deidera home blamed old street car tracks on Madison avenue for numerous accidents in the block.

## Mayers Hear Kerner At Civil Rights Meeting

Gov. Leonard Davis of Granite City, Stephen Maeras of Madison and Dr. John E. Lee of Venice were among over 200 municipal leaders from across the state who attended a conference on civil rights and race relations held in Springfield yesterday.

Gov. Kerner addressed the mayors, urging more inter-racial contacts. The mayors heard eight interpretations from spokesmen for the Illinois attorney general and state department of public instruction.

place city hall steps and recommended a conduit.

Purchase of an air-conditioner for the office of the city clerk was deferred again when the council could not agree on whether to take a \$295 bid from Hank's Supreme Radio or \$335 from State Radio. Only estimates had been obtained on installation costs. Nelson Electric bid \$385. Alderman William Dallas arrived during the discussion.

Alderman Skubish suggested purchase of individual desks for council members and Mrs. Betine explained seating arrangements that are under consideration. The desks would be moved to the side of the city courtroom when the council was not in session. Aldermen currently sit at two tables.

## Band Parents Name Chairmen

At the regular July meeting of the Granite City high school band parents association Tuesday evening, new chairmen for the 1963-64 season were named.

The meeting was held in the band room at the high school. Elmer Jackson, vice-president, conducted the meeting in the absence of the president, Louis Van, and the new chairmen appointed were Mrs. James Harsh and means; Mrs. Ted Schaefer, in charge of uniforms; Mrs. Vivvyn Durbin, publicity; and Charles Chapman, historian.

Louis E. Meek, band director, gave a resume of the band's activities during the summer and announced that 125 students are participating in the summer band program offered by the high school and that an expected 142 students will be enrolled for the fall term. Not all of the applicants will be able to meet the requirements necessary to become band members, however.

A general discussion was held on proposed air-conditioning of the band room by the association, with the idea again tabled. The association cancelled the annual September pot luck supper, and a regular meeting will be held Sept. 10 instead.

## Bazaar, District Meeting Topics Of WSCS Unit

The July meeting of the Women's Society of Christian Service of Niedringhaus Memorial Methodist Church was held Tuesday evening in Wesley Hall. Mrs. Elsie Hensley, president, conducted the meeting following the opening prayer by Mrs. R. Paul Sims, wife of the pastor.

Reports were heard and plans were made for future events, including an all-day meeting July 27 for the purpose of rug making — a project for the annual bazaar. The meeting is to be held at the church and the members will bring sack lunches.

Also discussed was the district meeting of the WSCS to be held here March 20, 1964.

Mrs. Mary Danner, youth chairman, was in charge of the program, which was given a group of 15 members of the senior and junior Methodist Youth Fellowship.

Phurmon Kinsel, of California, who is serving as MYF counselor here this summer, was introduced and spoke on the topic, "What is the Methodist Youth Fellowship?"

The Junior group discussed the meaning of the MYF emblem with the topic "Christ Above All," and the older group gave a choral reading of the 24th Psalm, the song "This Is My Father's World" and the 23rd Psalm, led by Richard West, accompanied by Miss Linda Henley.

Announcement was made of an executive meeting to be held July 23 in the lounge of the church. After the adjournment, refreshments were served by the Peace Circle to 50 members and the guests who took part in the program. The Peace circle will act as hostess circle at the next meeting.

**FORMER RESIDENTS VISIT HERE THIS WEEK**  
Guests this week in the home of Mr. and Mrs. Jerry Sladky, 4116 Melrose avenue, and other relatives here were their cousins, Mr. and Mrs. Eugene Farr, and the latter's mother, Mrs. Annie Golin, of Nampa, Idaho, and Mr. and Mrs. Algie Farr, of Council Bluffs, Ia.

The visitors will go on to Doniphan and Poplar Bluff, Mo., and will return later for other visits in the Quad-Cities, their former home. This was the first reunion of Mrs. Sladky and Eugene Farr in thirty-five years.

**DELRAY REBEKAH LODGE PLANS INSTALLATION**  
DeLray Rebekah Lodge 786 met Tuesday evening at the IOOF hall in Madison.

Mrs. June Mowery, public grand, was presiding officer and final plans were made for initiation of officers July 23 and a practice session to be held July 22.

The lodge will observe "back to lodge" Sept. 10 and a silent auction will be held. Eighteen members and one guest were in attendance at Tuesday's meeting.

## Summer Projects Planned By Jr. Service Board

An executive board meeting of the Granite City Junior Service club was held Monday evening in the home of Mrs. Rena James, 3200 Westchester drive. Mrs. Bernice Fitzpatrick, president, conducted the meeting, which was held to plan summer projects.

Reports were given by Mrs. Marabeth McConnell, recording secretary; Mrs. Peggy Komadina, corresponding secretary; Mrs. Eva Burns, treasurer, and Mrs. Louise Kovar, charity chairman.

Final plans were made for 14 members to attend the Municipal Opera in St. Louis Sunday. Members and their husbands will attend a baseball game at Busch Stadium on Aug. 16. Plans were made to prepare a float to enter a Collingsville parade July 18, with Mrs. Mary Schaffner named as chairman and Mrs. Margaret Kirchhoff and Mrs. Marge Green-donner serving on the committee.

The club will have a stand at the Jaycee homecoming on Aug. 9, 10 and 11 for fish, French fries and salad. The date for the annual flea market was set for Sept. 28, and it will be held on the Trust and Savings Bank parking lot. Anyone having articles for the market may contact a member of the club for pick-up service.

Members present other than those named were Mesdames Jean Ann Verneck, Ruth Knecht, Evelyn Morris and Jackie Spinks and Miss Helen Parsaglia. The next board meeting will be held Aug. 12, and regular club meetings will be resumed Sept. 16.

## Circus Theme At Sorority Party

A circus theme was used last night in the appointments of a party given by Mrs. Melba Tarpoft and her sister, Mrs. Mildred Jungels, for Eta Alpha chapter of the Phi Tau Omega sorority.

The affair was held at the Tarpoft home, 41 Terrace lane, and clown centerpieces decorated the tables. Favors were in keeping with the occasion.

Twenty were present, including several guests, Mrs. Theine Ruppel, Mrs. Clarence Parker, Mrs. Dorothy Gitcho, Mrs. Anna Lois Truoney, and Mrs. Ella Mae Gabriel.

Prizes in the games were won by Mrs. Rosalie Gabriel, Mrs. LaVerne LaRose, Mrs. Marguerite Lebow, Mrs. Thelma Grisham, Miss Irene Hayes, Miss Celestine Lucas and Mrs. Ann Little.

Hostesses for the August party are to be Mrs. Grisham and Mrs. Margaret Holland.

Most people get what they deserve, but many a man has a trick coming that never reaches him.

Rev. Schmidt To Speak

## Hope Lutheran Planning New Building; 15th Anniversary

Rev. G. K. Schmidt, pastor of St. Andrews Lutheran Church in University City, Mo., and formerly pastor of Hope Lutheran Church in Granite City, will be guest speaker at two 15th anniversary services to be held at Hope Lutheran Church on Sunday morning, July 14, at 8 a.m. and 10:30 a.m.

REV. G. K. SCHMIDT, former local pastor, who will speak at Hope Lutheran Church anniversary services Sunday.

The Hope congregation was organized on July 14, 1848, under the direction of Vicar John Constable and the sponsorship of Concordia Lutheran Church of Granite City.

The congregation at that time held services in the building which is now the Nameoki fire station. The next year, Rev. Schmidt accepted the call as first pastor of the congregation, and two years later the first unit—the present church building at Washburn and Garfield avenues—was erected.

**Outline of Program**  
William Zimmer, chairman of the congregation's building committee, will present plans for a new church building to the assembly after both services on Sunday and will explain the proposed steps of the building program, which will include beside the erection of a new sanctuary, the remodeling of the present building.

Charter members of the congregation will be formally welcomed and recognized at the anniversary services.

The guest speaker served at the local church for ten years, during which the congregation grew from 30 to 350 communicants, after spending a year of vicarage at Sterling, Ill., and four years as pastor of the Trinity Church, Anna, Ill.

He served as editor of the Southern Illinois edition of the Lutheran Witness for six years, and was on the district board for parish education four years, including one year as chairman.

## Plans Submitted For Kaskaskia Bridge

Plans for a proposed two-lane bridge over the Kaskaskia River at New Athens in St. Clair county have been submitted by the Department of Public Works and Buildings, Illinois Division of Highways.

The bridge would carry proposed Illinois Route 13 traffic across the river just west of New Athens.

## Disturbance Charge

James McMann, 41, of 2536 Lincoln Avenue was charged with being drunk and creating a disturbance at 1:55 a.m. Tuesday by Granite City police. Authorities alleged that he tried to enter an apartment at 2410 West 20th street. He was released on \$32 cash bail pending a hearing.

## Music Under The Stars Program This Evening

The second in a series of "Music Under the Stars" summer concerts will be presented tonight at 8 o'clock near the 27th street and Delmar avenue entrance of Wilson Park.

The program, free to the public, will feature junior high, senior high and adult choruses under the direction of Warren G. Simpkins, vocal music instructor at Granite City high school.

Eugene Coe was acting program chairman and Frank H. Phillips, area service representative for the Christian Record Benevolent Association of Lincoln, Neb., was the speaker.

Phillips outlined the history of the association and explained its programs and activities, noting that it is designed to provide blind persons with Braille reading material and train them to be less dependent upon other persons. There are representatives throughout the U. S. and Canada and in many countries of western Europe.

The non-profit association prints Braille magazines and books and issues recordings. Four residents of Granite City recently received material from the organization. The association raises funds from individuals and organizations.

## Kiwanians Continue Boat Race Discussion

For the third straight week, the major topic of discussion at the regular Monday night dinner meeting of the Granite City Kiwanis club was the boat races co-sponsored a month ago by the Granite City Kiwanians and the Bow-Line Boat Club.

A final tally on ticket sales and total proceeds probably will not be ready until August. At the business meeting Monday, members discussed the method of collection and payment of outstanding funds pertaining to the races.

A committee "appointed" to procure programs and speakers for the summer months gave a report at the meeting. Several speakers have been scheduled for future meetings and when live entertainment is not available, film-slide programs will be presented.

Members of the business women's club plan to meet Aug. 1 for a preview showing of the slides.

### Board Discusses Blood Program, Water Safety

A scheduled July 19 American Red Cross blood bank at the Granite City Army Depot has been canceled. It was reported at Tuesday's Red Cross board of directors meeting by Chairman John Sedlack.

Sedlack, presiding as chairman for the first time, said the program was canceled because a blood donation program was held at the Depot in mid-June, and it was felt the response would be too light. The summer programs include Army reserves stationed here.

It was announced that the Granite City Red Cross chapter in St.

### Jehovah's Witnesses

#### Delegates Return Home

The Granite City contingent of Jehovah's Witnesses completed its role as delegates this week when the group's "Everslasting Good News" Assembly closed at the County Stadium in Milwaukee, Wis.

Francis H. Clanton, local presiding minister, said the assembly attracted delegates from 49 states and 15 other countries. Peak attendance reached 57,055 when N. H. Knorr, president of the Watchtower Bible and Tract Society, delivered a special public Bible talk on the subject "When God Is King Over All The Earth."

Knorr said, "Farsighted statesmen of the world, military experts and specialists on economics are continually warning us that there is disastrous trouble ahead for mankind, but they do not tell us what the real cause of it will be. The real cause is that men do not desire to turn and sovereignty of the earth over to God."

Other highlights of the gathering were a mass baptism and the release of several new publications.

The Witnesses baptized 905 new ministers in a mass baptism ceremony that took 90 minutes and 50 baptisms to accomplish, Clanton said.

Opening day featured the release, in one volume, of the "New World Translation of the Holy Scriptures," a modern speech Bible complete with footnotes and marginal references. Knorr presented the New Testament only of this translation in six languages, Dutch, French,

The next release was a book of 302 pages entitled, "All Scripture Is Inspiring of God and Beneficial," a complete history and content summary of each of the 66 books of the Bible.

Another Bible said, "Babylon the Great Has Fallen! God's Kingdom Rules!" was introduced after adoption of a resolution which reaffirmed the intention of Jehovah's Witnesses throughout the world to "support the established Messianic kingdom of Jehovah God as the only hope of the world."

The largest convention ever held in Milwaukee, it was heralded as a stimulus to the growth of work in the central U.S.

The Milwaukee gathering was the first of 24 segments in the "Around-the-world International Assembly of Jehovah's Witnesses" for 1963. The second eight-day segment is now in progress in New York's Yankee Stadium. Assemblies will follow in major cities of Europe, Asia and islands of the Pacific. A final segment is scheduled Sept. 1 through 8 at the Rose Bowl, Pasadena, Calif.

## Steel Institute To Teach Job Skills On Continuing Basis

The Granite City school board Tuesday night unanimously approved an expanded adult education program which is being started by Granite City Steel Co.

The program, which will be known as the steel Institute of Granite City, is intended to upgrade the skills of the workers and supervisors of the steel plant.

Dr. Harold M. Kaiser, school superintendent, said the board's approval was based on realization that the institute will not only benefit the employees and the company, but the entire community. The benefit to the community is expected to result from a stabilization of the labor force, making it possible for the company to continue its policy of hiring local people.

Granite City Steel's director of industrial relations and personnel, John R. Hundley, said the institute will improve the performance of GC Steel employees and increase their job security. He feels the school will be a source of pride to the community.

GC Steel's training supervisor, Bill C. Lovin, said, "The need for more and better training for people in and out of industry is apparent to anyone who has made even a cursory study of the problem."

"In the steel industry, we have ample evidence that technological advances are fast outstripping the skills of the work force. Therefore, training, not on a one-time basis but as a continuing process, has become essential."

"Also, it has become apparent that the job cannot be left to the schools alone. Industry must do its part, and it is with this thought that we are starting the Steel Institute."

Two New Study Topics  
The new institute, at present an outgrowth of the school's training programs now conducted at Granite City high school, will add two major areas of study—basic courses in communications, mathematics and science, and specialized courses in the manufacture of steel. The latter courses will include a survey of the processes of steel-making and a detailed investigation of the problems and procedures of each major department in the plant.

Not only is the adult training

expected to give employees a better understanding of the theory and practice of steel-making, but it will also give them a broader background that could make them more employable in any industry.

The steel company plans to continue its present courses in such fields as electricity and mechanics and to use the STI Industrial Management courses now offered as electives to supplement the institute curriculum.

School Board Member George Stidham, also an officer of the United Steelworkers union at Granite City Steel, commented to the board that many GCSE employees have told him they are enthusiastic about the opportunities afforded by the institute.

Mr. Job Security

Raymond Newby, chairman of the Steelworkers Joint Committee at GCSE, who has been active in employee training, believes the institute's program "potentially the most valuable training aid any group of 30 employees has ever done for the security of its employees."

The additional courses will require more instructors. They will be qualified men from the plant—resulting in no additional cost to the school district for new teachers. GC Steel is presently training a group of 30 engineers and metallurgists to teach classes for the institute.

The company has pledged that should the school district require more administrative assistance, it will pay its share of the expense. The institute program will be conducted entirely at night and will not interfere with the day school program.

In submitting the proposal to the school district, Lovin said, "We appreciate the great amount of assistance we have gotten from the district, especially through Mr. Witternengel, in recent years, and we look forward to continuing this cooperation. We hope you will not favorably on this proposal for an expansion in the training offered to the members of our community."

"This training is needed badly and the only way we can solve the problem of the underskilled worker is to have complete cooperation between local industry, the community and the local schools. Only these bodies working in concert can provide the coordinated action it will take to solve the problem."

It was noted that a \$16,480 budget has been set up for the institute, with none of the funds coming from school accounts. Most of the instruction will be

### Boy, 13, Is Bitten

Kenneth Reddie, 13, son of Mr. and Mrs. Leo Griffin of Route One, suffered a puncture wound to his right thigh when bitten by a neighbor's dog Tuesday at 9 p.m.

Mrs. Griffin said the dog was running in front of its owner's home when it bit the boy. The dog's owner said it has had a rabies vaccination this year. Reddie was taken to St. Elizabeth Hospital, where he was treated and released.

conducted at Granite City high school, with some of the time spent at the plant itself.

Dr. Kaiser said additional wear on machinery otherwise used only in daytime vocational classes could be a cost factor, but pointed out the company's expressed willingness to seek mutually agreeable solutions to problems that arise.

During the planning, Lovin and Mr. A. Witternengel, school administrative assistant for vocational and adult education, observed a similar program being conducted in Hammond, Ind., by the steel industry and Purdue University.

### Mrs. Spotts Remains

Mrs. Lawrence W. Spotts, 65, of 3829 Grand avenue is in good condition in Barnes Hospital, St. Louis, today after incurring a cracked hip in a two-car collision July 2, in Gary, Ind. Her husband, also 65, driver of one of the cars suffered a cracked hip and a laceration to his face but is recuperating at home.

They were on a two-week auto trip which would have included Detroit and Niagara Falls, N. Y. They were brought back to Granite City by ambulance. They had been visiting their son, Dr. Helton W. Spotts, in Rockford, Ill.

Car, Truck Collide

A car driven by Kenneth Akers, 1800 Market street, Madison, and a meat packing truck operated by Albert Strauss, Company, collided at 7:25 a.m. today at Fourth street and Broadway, Venice. There was extensive damage to the front of the car and the left front fender of the truck.

There are 4,014,489,600 square inches in a square mile.

## A Message from the Teamsters

Radio Station WGNU deserves your support as a locally owned station whose employees are all members of Teamsters Local 525 of Alton, Illinois.

About one year ago, our Union organized the employees of Radio Station WGNU and proved to the management that we represented the majority of all employees. In good faith we bargained a Contract. The Station has operated under this Contract and we are now in the process of bargaining a Contract for another year.

A Union of electrical workers from St. Louis, Missouri has been attempting to hurt the business and the employment of our members at local station WGNU. Please do not be deceived by their attempts. We do not represent these employees under force or threat and would welcome any one who thinks that they represent these people to seek an election through the National Labor Relations Board, in which we will participate.

The members of Local 525 urge you to patronize and give your listening and advertising support to Radio Station WGNU.

## Eagle Scouts Lead Active Lives

Biographies Of Seven  
More Of 13 New Eagle  
Badge Recipients

(Second of two articles)

The 13 area Boy Scouts who received Eagle badges this year, the highest rank a scout can attain, are examples of young Americans interested in leading full and active lives.

These boys display, not only an interest in scouting, but an active interest in everything from coin and tropical fish collecting to hunting and wrestling. This is the second of two articles presented by the Press-Record, putting the spotlight on the character and activities of seven scouts who had the ability and endurance to achieve the honored rank of Eagle scout.

### Peter Maer

Peter Maer, son of Dr. and Mrs. Stanley P. Maer, 1204 27th street, is a 14-year old sophomore at Granite City high school and a member of Niederrhauers PTA Boy Scout Troop 12.

Peter, whose ambition is to be a journalist, was one of a small group of scouts to be awarded the Journalism merit badge in 1962. Along with his other merit badges, he also has received hiking medals for hiking the Cahokia, Lewis and Clark, Tomahawk and Lincoln Trails.

In junior high at Coolidge, he was a member of the lacrosse team, tennis team, manager of the eighth and ninth grade basketball teams, and a staff member of the school newspaper.

His hobbies are coin and stamp collecting and raising tropical fish. He is a member of the United Hebrew Temple and last year received the Alpha portion of the God and Country Award for Jewish Boy Scouts.

### Al Pranaitis

Al Pranaitis, son of Mrs. Mary Ann Pranaitis, 2114 Washington avenue, is a 15-year old member of Boy Scout Troop Seven of St. Joseph's.

A sophomore at St. Louis University high school, he has been a scout for over three years and is a member of Order of the Arrow Brotherhood. He has received the Catholic Scout Ad Alteri Dei Award and last year received the 100-mile patch for hiking and completing the one-mile scout swim.

Last summer, he went on the annual Marquette Trail camping trip and has attended Camp Sunnen for the past three years. As a freshman in high school, he wrestled on the freshman, junior varsity and varsity wrestling teams.

When not participating in scouting activities, Pranaitis spends his time in local athletic activities and with the Columbian Squires.

He attends St. Joseph Catholic Church.

### James Caffrey

James Caffrey, son of Mr. and Mrs. Damian Caffrey, is a 15-year old junior at Granite City high school and a member of Boy Scout Troop Seven.

He has been in scouting for three years and is a member of the Order of the Arrow Brotherhood. He has attained the ranks of patrol leader, senior patrol leader and scribe with Troop Seven.

He has earned a total of 21 merit badges.

His hobby is building model automobiles.

Caffrey is a member of St. Joseph's Catholic Church.

### Larry Nolan

Larry Nolan, son of Mr. and Mrs. Richard Nolan, 2620 Delmar avenue, is a 15-year old member of Sacred Heart Church Boy Scout Troop 18.

A sophomore at Granite City high school and a Boy Scout for more than three years, he is a member of the Order of the Arrow Brotherhood and a registered Boy Scout lifeguard.

In the fall of 1962, he was awarded a two-week vacation to Florida and the Bahamas by the Catholic Committee on Scouting for his participation in the Marquette Trail hiking program.

A member of Sacred Heart Catholic Church, he was the recipient of the American Legion Award as a student at Sacred Heart parochial school.

Seven Area Students  
On SJU Dean's Lists

Seven area residents were among the 1238 students named to the spring quarter dean's lists at Southern Illinois University, Carbondale. The students were named to the lists for high academic achievement during the recently completed quarter.

Students from Granite City include: Patrick Curtis, 4005 Kirkpatrick Homes, Dennis Withers, 2401 Gary avenue; Robert Cruise, 1624 Sprague avenue; Gerald Hatt, 2419 Edison avenue; and George Humphreys, Rural Route One.

Madison students listed were Kathleen Bogleff, 821 Madison avenue, and Cecelia Markuly, 917 Madison avenue.

Miss Curtis and Withers earned straight "A's" for the term, while the other students compiled a 4.25 or better grade average out of a possible 5.0.

## 2 MHS Students Enjoy Egyptian Music Camp

Two members of the Madison high school band attended the 22nd anniversary session of the Egyptian Music Camp at the DuQuoin State Fairgrounds, where five weekly sessions were conducted from early June through early July.

They are Kathleen Foley, daughter of Mr. and Mrs. Charles W. Foley, 1633 Seventh street, Madison, and Margaret Champion, daughter of Mr. and Mrs. Jack W. Champion, 1647 Fourth street, Madison. Both students have commented on their impressions of the camp.

Miss Foley has been a member of the MHS band for the last three years. She is a member of the National Honor Society and was elected secretary for the coming year.

She is a past member of the Girls Athletic Association, was vice-president of her sophomore class and has been active in the Pop Club for the last three years.

Miss Champion is a six-year band student and participated in a sight-reading clinic and the high school band festival. She has been a member of the Pop Club for three years, is a three-year member and vice-president of GAA, is a three-year member and president of the Future Nurses' club and has been a member of the National Honor Society for three years.

She was a junior varsity cheerleader, placed third in a Veterans of Foreign Wars essay contest, was a member of the prom committee and is a senior physical education leader.

In addition, she belonged to the Girl Scouts seven years, received the American Legion school award and is a junior past honored queen of Bethel No. 42, Job's Daughters, and belongs to the Downstate Queen's Club of Job's Daughters.

### What Music Means

Miss Foley commented, "I enjoyed the camp very much and appreciate being sent this year. I met a lot of talented kids and realize now what music means to some people. I think I have profited a great deal by this experience."

"I attended a music appreciation class each afternoon, during which time we listened to such albums as 'West Side Story.' The week I attended, Philip Olson, band director for Southern Illinois University, was guest director of the high school band."

"It was interesting to watch him direct. I was in the chorus, which is strange to me, since I have not sung at all during high school. I think I enjoyed the music because it was so new and different to me."

"I especially enjoyed the stories of Warren Angell, dean of music at Oklahoma Baptist University, who has just returned from a tour of the Orient."

"Every evening was filled with some sort of social activity—a talent show, a square dance, a stunt show, a formal dance and concerts."

"Every night after lights out, a devotion service was held in which any camper could participate by singing or playing a solo, or by simply reading a scripture. During the week, the boys and girls serenaded each other in the evening."

The week was climaxed by an excursion into DuQuoin for an afternoon at the home of Mr. A. T. Atwood, camp director. Campers were allowed to attend a show or spend the day at his home.

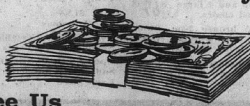

"Because of rain, swimming was impossible. Rain almost spoiled the band and choro concerts Saturday night, but they were held indoors. With the cooperation of the parents and campers alike, they were both very successful."

At the camp, Miss Champion was in the student conducting class, sang with the mixed chorus, played third horn in the senior high school band and participated in a Wednesday stunt night.

Honor Student  
Daniel H. Zlatz, 2656 Benton street, was one of the 100 students listed on the spring semester honor roll at William Jewell College in Liberty, Mo., it was announced this week.

### Engagement Of Miss McKinney Is Announced

Mr. and Mrs. Edward C. McKinney, 1406 Iowa street, are announcing the engagement of their daughter, Miss Helen J. McKinney, to John C. Cockrum, whose parents are Mr. and Mrs. Raymond C. Cockrum, Rural Route One.

Wedding plans are indefinite. The bride-to-be is a graduate of Granite City high school and the East St. Louis Academy of Beauty Culture, where she received a degree in cosmetology and is now a faculty member.

Her fiancé, also a GCHS graduate, is employed as a route salesman by the J. C. Rant Bottling Co.

### Jayceettes Plan Summer Events

The first board meeting of new officers of the Jayceettes was held Monday evening in the home of Mrs. Betty Young, 2913 Fortune drive.

A discussion was held on a soda stand which the group will operate at the Granite City homecoming to be sponsored Aug. 9-11 at Wilson Park by the Granite City Junior Chamber of Commerce.

Tentative plans to sell holiday cards at the end of August were presented by Mrs. Betty Lake, ways and means chairman. Plans to hold a social for new members also were discussed. A date was not set.

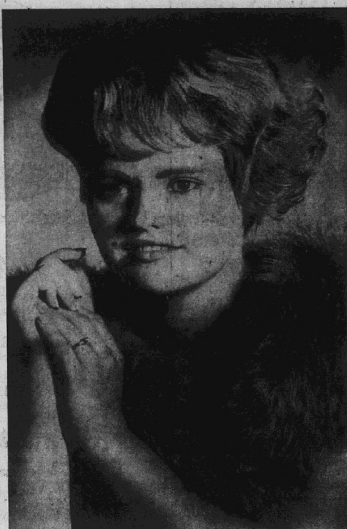

Mrs. Marcella Barnes, Jayceettes president, conducted the meeting. A report was given by Mrs. Sally Herbst, secretary.

Refreshments were served to the above named members and Mrs. Donna Wetherholt, Mrs. Joyce Hogan, Mrs. JoAnne McPherson, Mrs. Loretta Worthen, Mrs. Ethel Jurgensen and Mrs. Faye Krause.

### Charity Plans Are Made By Eagles Auxiliary

A meeting of the Eagles Auxiliary was held Tuesday evening with Mrs. Helen Pregel, president, in charge. Mrs. Florida Batson, a past president, announced a rummage sale to be given in August by the Eagles-auxiliary. The Illinois auxiliaries have contributed \$8000 to the heart fund, it was announced. Their goal is \$10,000, and they are striving to raise that amount by August.

All the Eagles auxiliaries will support these charities during the year: heart, muscular dystrophy, cancer, cerebral palsy, memorial foundation and others.

Mrs. Angie Buehler, the newly-elected state trustee, was honored, with a gift from the president, and Mrs. Batson presented Mrs. Pregel with a gift for having won first place at the state convention with her publicity-book.

The prize for the evening went to Miss Norma Pregel, and the "white elephant" was awarded to Miss Ellen Rickert.

After the meeting, a silent auction was held and refreshments were served. Miss Pregel served as chairman.

### Miss Carole Smotherman Is Betrothed

Mr. and Mrs. H. D. Smotherman, 1609 Poplar street, have made informal announcement of the engagement and forthcoming marriage of their daughter, Miss Carole Smotherman, to Jerry L. Poole, whose parents are Mr. and Mrs. George R. Poole, 2410 East 24th street.

The wedding of the young people will take place Oct. 19 at Niedringhaus Memorial Methodist Church.

Miss Smotherman and her fiancé are both graduates of the Granite City elementary and high schools. She is employed as a secretary in the offices of Kent Realty Co. Mr. Poole is an employee of Granite City Steel Co.

### MR. JOHN WILSON ON TOUR OF ISLANDS

Mr. John Wilson, 2537 Lynch avenue, is spending five weeks in Hawaii and plans to tour all of the major islands. She flew to Honolulu and will return by boat Aug. 12, after spending several days in San Francisco.

Mrs. Wilson and her husband, proprietor of the Biltmore Moving and Storage Co., celebrated their silver wedding anniversary four years ago with a trip to Hawaii.

### FORMER RESIDENTS ANNOUNCE CHRISTENING

Announcements have been received of the baptism this week of Mark Allen Hale, infant son of Mr. and Mrs. Daniel "Bud" Hale of Aurora, Ill., former Granite Cityans. The baptismal service for the baby was held at Our Lady of Good Counsel Catholic Church, and the godparents were Mr. and Mrs. Joseph Davis of St. Louis.

Open house was held at the Hale home after the ceremony.

AUTUMN BRIDE-TO-BE. Miss Carole Smotherman, who will be married to Jerry L. Poole, a son of Mr. and Mrs. George R. Poole, 2410 East 24th street. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. H. D. Smotherman, 1609 Poplar street.

Mrs. Hale is the former Barbara Ans, and Mr. and Mrs. Robert Cooper. Guests included Mr. and Southern and children, Janet Mrs. James Tucker of Franklin, Lynn, Robert John and John Park, Ill., former Granite City-William.

### ATTEND HOSPITAL FUN NIGHT PROGRAM

Mrs. Peter Argelan and Mrs. Chester Kelly were guests at a "fun night" given by the volunteer service organization of Christian Welfare Hospital in East St. Louis Monday evening at the Andrews steak house.

Dinner was served at 6:30, followed by entertainment. The table held a centerpiece of pink roses and several small planters, the latter serving as prizes after the dinner.

Miniature cups and saucers were presented to the ladies as favors and small ash trays were given to the men.

The affair was arranged by the organization in appreciation of services of the members who work as "pink ladies."

Mrs. Argelan is chairman of District Nine, Women's Hospital Auxiliaries of the Illinois Hospital Association, and Mrs. Kelly is publicity chairman.

### RETURNS FROM TOUR

Miss Olive Frohardt, 2311 Edison avenue, accompanied by Miss Nancy Maricle of Waukegan, Ill., and Miss Linda Monge of North Chicago, has returned from an extensive motor tour of the west. They were away a month and visited the Black Hills of South Dakota, and Wyoming and California, returning by way of the Grand Canyon Nevada and other places of interest.

### Two Sentenced To 30 Days In County Jail

Michael Brown, 18, and Thomas Brown, 24, both of 1317a Madison avenue, were sentenced to 30 days in the Madison county jail at Edwardsville yesterday by Police Magistrate Gasparovic. The younger Brown received two concurrent sentences on charges of theft at a restaurant and a laundromat in Lincoln Place. The other man pleaded guilty in connection with the restaurant case.

The judge had taken the cases under advisement and had set another hearing for July 22 when the two appeared in court Monday afternoon. They had not posted property bonds of \$300, so the case was completed sooner.

### Governor Signs Bill Outlawing Some Pinballs

A bill outlawing payoff-type pinball machines as gambling devices was signed Tuesday by Gov. Otto Kerner at Springfield. The action was hailed by state's attorneys who described the machines as a menace, in that they produce more revenue than others and are more likely to be controlled by underworld figures.

The bill defines machines with multiple replay meters as gambling equipment. A previous court decision had exempted the machines from definition as gambling devices.

The new law identifies the right of replay as evidence of winning on a gambling device when the right is exchangeable for money, property or the right to receive them.

An amendment permits manufacture of the machines in Illinois for resale in other states on condition there was some objection that the bill would kill an Illinois industry.

**Teacher Hiring, Resignations**  
Approved In GC

Resignations from seven teachers were accepted by the Granite City school board, which also granted a leave of absence and hired two teachers during a meeting Tuesday night.

Resigning were Donald Brumley, teacher training teacher at Granite City high school who has accepted a coaching position at Lockport, Ill.; Robert Galtz, physical education teacher at Logan school; Fred Conrad plans to teach in another field; Arthur Hakebost, GCIS social science teacher, because of illness; Leroy R. Kanovsky, Logan grade school teacher who has accepted another position; Mrs. Margaret L. Noonan, Marshall school kindergarten teacher, because of family responsibilities; and John Garrett, GCIS vocational machine shop instructor, who has accepted another position.

**Leave Of Absence**  
Mrs. Elizabeth Edwards, a grade school teacher, was granted a leave of absence for the next school year.

Hired were Mrs. Mary Louise Ewing, 4830 Warnock avenue, for English at GCIS, and John Sikora, 1211 Meridian street, to teach at Central junior high school.

Mrs. Ewing received a master's degree in education at the University of Illinois and has five years of teaching experience. Sikora obtained a bachelor's degree of science degree at Missouri Valley College in 1962 and has taught one year.

**Retirement Ceremony**  
A retirement ceremony was held for Mrs. Louis Meek, typing teacher at GCIS, who was accompanied by a certificate and received commendations from Dr. Harold Kaiser, superintendent.

She has served eight full years and has been a part-time teacher for a total credit of 20 years.

During a short talk, she said she was happy to have had the opportunity to teach in Granite City.

In other action, the board:

**May Erect Marquee**  
Called for bids for a two-sided, illuminated marquee for the senior high school. Lawrence McCauley, principal, presented a report stating that graduates and classes for the past eight years have provided funds to build the marquee.

An early estimate of the cost was about \$2000, but the current approximate cost is \$3300, including the marquee, wiring and installation.

The architectural firm of Gabriel & Dulgeroff has offered its services free of charge to the Granite City alumni and has made a sketch of the proposed marquee.

**Propose Rest Rooms**  
Robert Spengler, board member, suggested that the marquee contain advertising to help meet the cost. He proposed that school funds be used instead to erect restrooms for the GCIS football field and received the support of member Ronald Dillard on the restroom proposal.

Awarded contracts for lighting and electrical work at the various schools on low bids totaling \$13,934 to the Dron Electric Co. and \$1041 to the Rite Electric Co. for a grand total of \$14,975. The projects were approved on a 6-1 vote, with Dan Linder suggesting deferral of some lighting work.

The location, description of work and costs on the Dron contracts included fluorescent fixtures in the corridor of GCIS, \$1016; fluorescent fixtures in the junior high school, \$2414; fluorescent fixtures in the GCIS art department, \$647; duplex outlets in GCIS classrooms, \$138; outside lights at the GCIS building, \$404; outside lights at the GCIS gym, \$404; lights on GCIS parking lot poles, \$1256.

**Other New Lights**  
Rite Electric received contracts for lights on GCIS buildings, \$786, and a fan installation at Probert school, \$255.

Approved a contract with Holland Asphalt Co. for blacktopping at Webster school on a bid of \$756. G. H. Sternberg & Co. was awarded a contract for sand and chips at the Nameoki school parking lot on a low bid of \$897.

Sought new bids for Venetian blinds and for a steam line. Low bids were not opened.

**Withdrawal Requested**  
Decided to seek new bids for tuckpointing work on several school buildings after receiving request by State Tuckpointing Co. to withdraw. John Shipley, contractor, informed the board that he has committed himself to too much work this summer and would be unable to

(Continued From Page 1.)

Mrs. Velma K. Hunter of Muscatine, Ia., and the late D. W. Hunter. He was born April 26, 1914, at Defiance, Ia., and was educated in the elementary and secondary schools of Iowa.

His higher education was acquired at Iowa State University. He graduated in 1938 with a bachelor of science degree in civil engineering and in 1940 he received his master's degree in mechanical engineering from that university.

From October 1940 to 1944 he was employed by E. I. DuPont de Nemours & Co., Inc., as nylon plant field engineer. In May 1944, he was called to active duty in the U. S. Navy. His service in the Navy was that of machinery planning estimating officer. He was discharged in August 1946 with the rank of lieutenant.

From October 1940 to 1944 he was married to Arlene E. Schaforth, daughter of Mr. and Mrs. C. A. Schaforth of Corning, Ia.

Mr. and Mrs. Hunter reside at 621 Starline drive, Edwardsville, Ill. They have three children, Beth Ann, 20, a junior at Purdue University; David, 17, a senior at Edwardsville high school; and Margo, nine who attends the Co-jumbus grade school, Edwardsville. The Hunters are members of St. John's Methodist Church, Edwardsville.

**Roca Club Plans For Fund Project, Dance**  
A weekly meeting of the Roca club was held Monday evening in the home of Earl Farnon on St. Clair avenue. Final plans were made for a car wash to be held July 13 at Johnson and Nameoki roads.

Jim McDowell is chairman of the event and announced that tickets are being sold by members of the club.

Eddie Hinson, chairman of the dance committee, reported that a dance will be held at the Moose hall Tuesday from 8 to 11:30 p.m. A five-piece band will play.

Finish the work before the school term starts.

He currently is tuckpointing two schools under a contract granted last year and expects to complete this work before the next term. The board decided that the firm may be held liable for any increase in costs under a contract with another firm.

Approved payment of \$150 to Trefle Cox, GCIS teacher, for work in preparing tapes for the GCIS language program.

Approved bills totaling \$18,590 from the educational fund, \$1200 from the transportation fund, \$1974 from the building fund and \$428 from the federal construction No. 4 fund.

The building fund list included \$1240 bill from Rogers Roofing Co. for roof repairs; payment had been delayed previously pending conference on the specifications, time and material devoted to the project.

Eddie Hinson, chairman of the dance committee, reported that a dance will be held at the Moose hall Tuesday from 8 to 11:30 p.m. A five-piece band will play.

Finish the work before the school term starts.

He currently is tuckpointing two schools under a contract granted last year and expects to complete this work before the next term. The board decided that the firm may be held liable for any increase in costs under a contract with another firm.

Approved payment of \$150 to Trefle Cox, GCIS teacher, for work in preparing tapes for the GCIS language program.

Approved bills totaling \$18,590 from the educational fund, \$1200 from the transportation fund, \$1974 from the building fund and \$428 from the federal construction No. 4 fund.

The building fund list included \$1240 bill from Rogers Roofing Co. for roof repairs; payment had been delayed previously pending conference on the specifications, time and material devoted to the project.

**HOME FROM VACATION**  
Mr. and Mrs. Clifton Cassey and children, Cliff, Kathy and Laurie, 944 Niedringhaus avenue, returned home Tuesday evening from an extended visit with relatives and friends in Wyatt, Mo., and Sikeston, Mo. On their return, they brought with them as their guests Mrs. Cassey's niece and nephew, Cindy and Terry Prayon of Wyatt, Mo.

**RETURN TO CAMP**  
Altmann first-class Carroll Kermit Wickham returned Tuesday to Camp Pendleton, Calif., where he is stationed. He had a 30-day furlough which he spent with his family, Mr. and Mrs. Wickham, 900 Niedringhaus avenue. During his stay, the family entertained Miss Brenda Walker of East Alton, his fiancée. The wedding plans are indefinite.

During the weekend, Altmann Wickham, Miss Walker and the Wickhams motored to Iowa to visit the Wickhams' daughter and sister, Betty.

**DISCUSS CAMPING**  
Boy Scouts of Troop Five held a weekly meeting Monday evening on Gabaret Island in the Mississippi River. The boys made plans to go to the scout camp at Camp Sunnen, Potosi, Mo. They also are looking for a camp-out site where they will spend a few nights in the future. After the meeting, they played games and ate a large watermelon. Those attending were David Matosian, Harold Skalek, Sam Nighoghossian, Tony Petrallo, Gregory Nighoghossian and Scoutmaster Paul Kraus.

**HERE FROM GEORGIA**  
Mr. and Mrs. George Veizer sr., 1734 Spruce street, returned home Sunday evening. Traveling by auto, they had spent a ten-day vacation with their son, daughter-in-law and grandchildren, Mr. and Mrs. George Veizer Jr. and children, Michael, Patty, Andy and Victor Veizer, of Atlanta, Ga., where George Veizer Jr. is in the bakery business.

Anyone from Lincoln Place who is interested may inquire at the Lincoln Place Community Center on Niedringhaus avenue.

**MORE ABOUT**  
**Eclipse Here**  
Next Week  
(Continued from Page 1)

"For instance, on April 8, 1912, in Lincoln, 170 people, mostly school children, suffered permanent damage to the right of one both eyes by viewing an eclipse of the sun incorrectly. Some even wore two pairs of sunglasses. On Feb. 25, 1952, 37 people suffered severely damaged eyes by looking at a solar eclipse which passed over Africa. These patients felt no pain but all experienced permanently blurred vision. They could never read again, because their finest point of vision was burned."

The Ophthalmological society related, "This is known as a macular burn. It is as if you would try to throw a needle with a flint before your eyes. You can see around the flint, but it always remains directly in front of your eyes, so you can never see the center of anything on which you focus your eyes."

"The injury is due to an enormous concentration of radiant energy in a very small volume of tissue producing literally a local boiling point."

**Pain Sense Of Security**  
"We all know that one cannot look directly at the noonday sun for more than a second or two without feeling pain. We are then forced to divert our gaze. Unfortunately, the temporary 'twilight' accompanying an eclipse minimizes the 'dazzle' effect and gives people a sense of security, since there is no associated ocular discomfort."

"The eye burning power of the sun, however, is not only undiminished, but actually is amplified, since the pupil of the eye dilates slightly in this 'twilight' and allows more of the damaging rays to strike the retina (sens-

itive nerve fiber center) of the eye. The pupils here are the visible light an infrared rays from the sun which can literally burn holes in the interior of the eye."

"Young persons are much more susceptible to injury, since the transmissibility of the lens to the sun's rays is highest in them. These are exactly the same rays which emanate from the flash of an atomic bomb and have caused retinal burns in individuals viewing an atomic flash without adequate eye protection."

Every Boy Scout knows that he can burn a hole in a piece of paper or start a campfire by using a magnifying glass to focus the rays of the sun. It is this same burning power that 'cooks' the retina in eclipse blindness.

**Focus Of Rays**  
"The sun's rays are brought to a focus on the interior of the eye by the optical system within the eye, just as a magnifying glass focuses a light beam."

"The fact that a solar eclipse can cause permanent and irreparable blindness has been known since the days of early Greek astronomer and philosophers."

"Even Socrates warned that a solar eclipse should be observed only indirectly by looking at its reflection in a pool of water. History tells us that Galileo injured his eyes by looking at the sun through his telescope."

A stork shower was given Monday in honor of Mrs. Glenda Pogue at the home of Mrs. Juanita Gault, 735 Twenty-sixth place, who was assisted by Mrs. Dollie Johnson.

Games were played and refreshments were served to Mrs. Williams, Mrs. Hazel Reeses, Mrs. Eugene Tondre, Mrs. Minerva Johnson, Mrs. Rosa Williamson, Mrs. Hazel Reeses, Miss Donna Johnson, Mrs. Betty Wilson and Mrs. Norma Walton.

**MRS. NICHOLS**  
**HURT IN CRASH**  
Mrs. Arlene Smith, 3051 Circle drive, Mrs. Anita Ellis, Carpenter, Ill., and Alvia Nichols, Friesland, Mo., drove to Jefferson City, Mo., Tuesday to see their mother, Mrs. Vera Nichols, who is a patient at Memorial Hospital in Jefferson City following an automobile accident.

Mrs. Nichols fractured her wrist and cracked several ribs when her pickup truck hit a tree after leaving the roadway.

Her granddaughter, Sherry Lynn Heile, who was with her, received a large cut on her forehead which required 15 stitches.

Sherry was kept overnight, being released the next day. Mrs. Nichols will be retained for a few days.

Also visiting Mrs. Nichols from here were Mrs. and Mrs. Arthur Nichols and Mrs. Marilyn Heile.

### Barbershop Singing Chapter To Be Formed

A local organization meeting of a national barbershop singers' society, held Monday night at the Granite City Army Depot, attracted 35 Quad-Cityans, Jack Fischer, vice president of the Southern Illinois section of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, said the purpose of the meeting was to attract barbershop singers in this area interested in forming a local chapter of the society.  
Those who attended the initial meeting expressed their desire to form a local group and to petition the society's national headquarters for a charter.  
Fischer pointed out that the society has 40 chapters and over 1500 members in Illinois but none in the Quad-City area. The new group would represent Granite City.  
Another meeting will be held later this month, and vocalists who are interested in joining the group are welcome to attend, Fischer said.  
Date and place of the next meeting, as well as plans for a Granite City barbershop quartet show, are to be announced within the next two weeks.

### Revocation Rescinded

Secretary of State Charles F. Carpenter this week announced rescinding of revocation of the license of Russell D. Godwin, 1613 Mitchell avenue. A review of the record disclosed that a conviction for reckless driving in the Randolph county court was incorrectly coded for the offense of driving while intoxicated.

### Two Zoning Hearings Scheduled By County

Public hearings have been set by the County Zoning Board of Appeals for 1:30 p.m. Friday, July 26, on rezoning property on a township road one-and-a-half miles east of Routes 111 and 35 intersection from agricultural to one-family residential (R-3) and at 2:15 p.m. the same day on adding a zoning ordinance article relating to coal mining.  
The rezoning request by Mike Sayk and Kelly Dutko, owners, will be heard at the site of the proposed subdivision.  
In the appeals' room of the county courthouse for its hearing on mining operations, which would be restricted from installing surface equipment and preparation plants within 1000 feet of any existing home not owned by the mining firm.

### Committee Meets On Chamber Nominations

The board of directors nominating committee of the Tri-Cities Chamber of Commerce met Tuesday to consider the make-up of a slate for the August board election. Samuel L. Meyer, chairman of the five-man committee, said.  
The committee's task is to recommend a slate of 18 business and professional leaders in the area for approval at the Chamber's Aug. 6 board meeting.  
At Tuesday's meeting, the committee considered a number of possible nominees but did not take further action. It expects to arrive at the list of nominees within the next two weeks.  
Nine of the 18 selected will be elected to three-year terms.  
In the first game with the Dodgers in 1959, Maury Wills made two errors at shortstop.

### Set Fire To Chairs

Two boys set fire to two overstuffed chairs stored on the back porch of a storage building at the rear of the Perdue furniture store, 924 Madison avenue, at 8:45 p.m. Tuesday. Madison firemen who answered the alarm

said there was no damage. The youngsters were held for the juvenile officer.

### Three Cars In Crash

On Madison Avenue  
Three cars were involved in an accident at 6 p.m. yesterday at 1925 Madison avenue, causing damage to each.  
Darrell Ramsey, Evansville, Ind., was slowing down for a traffic signal, looked in the rear view mirror and saw a car driven by Elbert Eugene Allen, Army Depot, cut from the inside lane to the center lane. The

rear of Allen's car caught the front bumper of a car driven by William Hefer, 4011 Melrose avenue, knocking it against the right rear of Allen's car and damaging the left rear of the Ramsey auto.

### Suffers Cut To Eye

Tommy Noel, 11 son of Mrs. Marjorie Canada, 1207a Market street, Venice, suffered a cut over his right eye Wednesday at 1 p.m. when struck with a ball.

### New Nameoki Twp. Tax

Payments Total \$55,000

Payments of more than \$55,000 in 1962 taxes have been made by Nameoki residents this week, it was reported today by Collector Gene Rotter.  
The collection will continue through tomorrow at the Trust & Savings Bank during regular banking hours. Beginning on

Monday, Rotter will receive tax payments at the township office on Route 162.  
So far \$133,280 of the \$387,287 tax total has been collected.  
**Vandal Throws Light Bulb**  
William Weckman, 2905 Wayne street, reported to police at 8:50 p.m. Wednesday that someone in a light-colored foreign car threw a 300-watt light bulb filled with creosote onto the roof of his house.

### Charged With Speeding

Eddie N. Alsapach, Columbia, Ill., was arrested for speeding 41 miles an hour at 2800 Madison avenue at 1:35 p.m. yesterday by Granite City police, who had their radar unit in operation.

### STUDY SOUTH AMERICA

Peter Chen Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church to study South America. Songs were sung and Mrs. Beverly Crown told a story. Bible verses were unscrambled and Mrs. Betty Lewis led the group in repeating Spanish words.

Cardboard dolls of boys and girls of Ecuador were given to each one present, and they were dressed in the style of the country. The group used cloth, construction paper, ribbon and yarn.

One of the Sunbeams, Johnny Snider, observed his birthday and the group sang to him. Closing prayer was by the leader. Others present were Bradley Crown, Gwynn Oliver, Debbie Davis, Gary and Gail Lewis, Allen Newberry and visitors, Sisile Mayes, Marie Snider and Robin Downing.

Plans were made to bring small gifts next week. They will be given to a boy who was hurt in an accident. The gifts may consist of books, crayons or puzzles.

### WORLD FRIENDS MEET

World Friends Sunbeams of Second Baptist Church met Tuesday afternoon to continue their study of Ecuador. Several new books were on display for the boys and girls to read. They made pictures of people Ecuador, using cardboard paper and yarn.

The group formed a circle for prayer, led by Miss Evelyn Barnes. Several facts about Ecuador were reviewed and the children learned several Spanish words. On another chart, they studied countries of the world where the people are called Americans. The leader told a story about a family in Ecuador.

Refreshments consisted of crackers spread with papaya-orange marmalade, kumquat marmalade and guava jelly. Those present were David Freeman, Frances Welty, Cordell Burnett, Dean Olive, Yonda Mayes and two visitors, Gary Mitchell and Kathy Downing.

### PROGRESSIVE CLASS

#### TO PREPARE QUILT

The Progressive Class of Second Baptist Church met Monday evening in the home of Mrs. Othella Nabe, Route One. Devotions were led by Mrs. Aline Reagan. The meeting was presided over by vice-president, Mrs. Louise Daniels.

Plans were made for the next meeting, and the project for this month will be to make a quilt for the Baptist Children's Home.

Refreshments were served to Mesdames Naomi Rongey, Aline Reagan, Louise Daniels, Elsie Biggs, Carrie Houghsough, Berna Garden, Minnie Bolin, Maude Beedle, Edith Wilson, Winnie Tucker, Ruth Helton, Roberta Richardson and a visitor, Dolores Ayers.

### AUXILIARY PICNIC

#### SUPPER AT PARK

The Young Women's Auxiliary of Second Baptist Church met Tuesday evening at Wilson Park for a picnic supper preceding the program. Opening prayer was given by Evelyn Barnes. The program for the evening concerned city missions in Washington, D. C.

Following the program, prayer for missionaries was led by Mrs. Norma Rains. The business meeting was conducted by Sue Warnhoff. Plans were made for a banquet honoring all new members in September. Closing prayer was led by Miss Warnhoff. Those present were Julie Adams, Jo Marie Cline, Evelyn Barnes, Sue Warnhoff and Mrs. Rains.

### FRIENDLY CIRCLE

#### TO ATTEND OPERA

The Friendly Circle class of Dewey Avenue Methodist Church met at the church Tuesday night. Mrs. Grace Lensing, president, was in charge of the business session.

Plans were made for the group to attend the Municipal Opera on the next meeting night.

Mrs. Lensing and Mrs. Gladys Potillo were hostesses for the evening, and refreshments were served to Mesdames Mary Davis, Laverne Switzer, Robbie Denney, Lora Hancock, Pauline Mahon, Violet Miller, Virgie Settle, Medora Shaw and Lucy Westerman.

NEIGHBORHOOD SHOW  
On Tuesday morning a neighborhood show was held at the home of Gary and Gail Lewis, 2028 Bryan avenue, with their mother, Mrs. Robert Lewis, assisting. For the children's use there were books, records and games. For the boys, many games were played; for the girls, dolls and "dress-up" time were enjoyed.

Mrs. Lewis showed cartoons and films of Hawaii, Florida, Canada and other countries. Refreshments were served. Tickets for the event were sold by the children for a penny each, and the proceeds were used to buy ice cream for two grandmothers of the neighborhood. There were 19 in attendance at the neighborhood get-together.

scheduled to appear in the Edwardsville police magistrate's court at 9 a.m. Saturday.

He was arrested by state police at Highway three and Interstate 270, about 45 minutes

after his car allegedly struck one driven by Mrs. Deborah J. Taulbee, Edwardsville, at St. Louis and Main streets, Edwardsville.

## Kraynak To Seek New Investment Of Funds

John Kraynak, Madison county auditor, this week said he

will recommend reinvestment of funds from the county revenue and detention home accounts in 90-day government securities during the meeting of the Madison county board of supervisors

next Wednesday in Edwardsville. The amounts to be reinvested are idle investments have yet to be determined. Also to be reinvested are funds in the sanatorium and county highway accounts. The county board first authorized investments of idle funds last meeting.

The following items were taken from the files of the Granite City Press-Record

MONDAY, July 11, 1938

More than two-thirds of the \$500 quota for St. Elizabeth Hospital was reported subscribed at a meeting of the workers held Thursday night. The total was \$384 and it was estimated that a little over half was in cash.

There were still quite a few prospect cards in the hands of workers and the prospects will be visited within the next week or so. A fair return on them should put the campaign over the top, Roy W. Massey, general chairman, said.

Pupils of Mrs. E. A. McFarland presented a musical at the First Christian Church Thursday evening. Those who appeared in the program were Madeline Mitchell, Dolores and Gladys Powers, Nancy and Mrs. E. A. McFarland, David Kendall, Shirley Mae Luckert, Anita Jean Cullen, Neida Sedlak, Elizabeth Amending and Marjorie Stone.

One of the most enjoyable events of the weekend was the lawn party Saturday evening taking place at the home of Mr. and Mrs. T. W. Kelo, 2519 Cleveland hill. In the members of the January 1938 class of Community high school gathered there for their first reunion.

Tommy Kelo and Miss Verne Kelo were in charge of the arrangements. The party was such a decided success it was planned to hold a similar affair each year. The following officers were elected: chairman, Miss Vida Ellis; assistant chairman, James Anderson; recording secretary, Clifton Byers; and members of the publicity committee, Roger Braden and Vasil Teroff.

Among those present were Misses Helen Hien, Helen Ezzelich, Helen Bess, Salie Fosseck, Helen Anderson, Irma Klatner, Esie Wilson, Frances Kuback, Vida Ellis, Robert Hall, Geraldine Reading, Mrs. Helen Davis, Demetrius Russell, John Dufner, George Toland, Louis Barkley, Frank Gray, Ralph Taylor, Frank Schenholder, Robert Koussey, Jack Lipson, and Mrs. Anderson, Clifford Hoffa, Braden, Muncie Tarris, J. O. Evers, Clifton Byers, and Mrs. Braden, Tommy Kelo, Mr. and Mrs. Vernal Deutschmann and Mr. and Mrs. T. W. Kelo.

## THE FORM

MADISONIANS ATTEND CORPORATION OF POPE

To the Editor:

My wife, myself and Mrs. Estella McBrien arrived here in Rome, Italy, the night of the coronation. When we left home, the date had not been set.

We attended the coronation and I was fortunate enough to get a place behind the soldiers' section where I could see the aisle and see the whole procession clearly. It was fairly near the Pope, and we could see him wave to the people.

People from all over the world are here—some in native costumes.

An interesting feature was a large group of women from Africa, dressed in colorful native costumes. I took sides of the press boxes television setups and seat construction the day before. The excitement of this city with its historical background was most interesting.

Rome has withstood many storms and is becoming very modern today. There is a great deal of new construction, such as cooperative apartment buildings. The new Pope is the most beautiful in Europe.

We are leaving Rome tomorrow (July 11) to go on to Cairo, Egypt, Mount Sinai and then Israel.

HARRY R. JOHNSON  
Madison Postmaster

## COMMITTEE EXPENSES PROPERLY AUTHORIZED

To the Editor:

Mr. Johnson insults the intelligence of the Madisonians taking issue with the Legislative Committee's trip to the Municipal League in Springfield last week ago, if he had not walked out in a huff, he would have known the cost of the trip was \$30,000, including interest on the \$30,000 mortgage and other expenses like lunch.

Is Mr. Johnson still so busy with his "more important things" that he doesn't know what is going on?

When the ordinance was read, it automatically approved and authorized the committee to spend money for the trip.

Does he think this is smart politics? This is dumb politics. There are many more who admire Mrs. Betine for her intelligence and her courage. The women's vote must be seen too important to Alderman Johnson.

## Time Now To Plan For Impact Of World War

Current planning discussions in Edwardsville —to prepare for the impact of Southwestern Illinois University—indicate the thinking going on in many cities surrounding the new campus, which is expected to grow into one of the major U. S. institutions of higher learning within the next few years.

What is being done in Edwardsville ought to be started in the Quad-Cities, so the local area can take full advantage of the opportunity.

Potential topics include housing, traffic, community-university relationships and provision of necessary goods and services for an enrollment numbering 10,000 to 20,000.

The development of a university poses numerous problems and challenges. But with the need for its facilities so great, it will be a genuine pleasure to see the need being met.

## Character, Citizenship Stressed In Rearing Of Local Youngsters

A state YMCA staff's conclusion that local incidence of delinquency is exceptionally low bears out the belief that most families—aided by the schools, churches, "Y" and other agencies—are instilling character and citizenship in their offspring.

This agrees with the reactions of out-of-town residents coming in contact with touring groups from the Quad-Cities. The frequent compliments received on their conduct are a testimonial to the effectiveness of the training they have been given.

Of course, there is always room for improvement, both in the opportunities afforded teenagers and in their response to them. The survey conducted recently by the visiting state group spotlighted possible program expansions, some of which have since been carried out.

A thought-provoking section of the report noted that the local community has tended to form groups that sometimes waste valuable time in blaming each other for existing problems or the speed at which progress is being made.

"In the fortunate community where all groups work together wholeheartedly for a common cause, progress is generally spectacular. The YMCA seemed to rate very well in this regard, and it is possible that one of the great contributions of the YMCA here might be to provide a common meeting ground where all groups might learn to know each other, to trust each other and to find ways to work more closely together for the good of the community, which they all desire."

## Conelrad' Among Words Heeded For Discard Head

Although it has been in effect for over 10 years, we had hardly gotten used to the term "conelrad" and those little markers on the dial before we learned that the wartime communication system is to be discarded.

It may be true that EBS—emergency broadcast system—will be an improvement, in that it will not be limited in its frequencies. But the abbreviation, which has become a household word, is a symbol for the virtually obsolete radio communication system—control of electromagnetic radiation.

Maybe the Federal Communications Commission, Office of Civil Defense and Office of Emergency Management ought to consider another try. How about blending the titles of the sponsoring agencies to produce "fedipvilan" or "comilgen"?

You can judge a statesman by his refusal to appeal to the prejudices and emotions of his constituents.

## U. S. TAXES LEAVE TOO LITTLE BUYING POWER

To the Editor:

Views on government spending of a Republican economist and independent voter. The present waste in government spending is to the point of panic.

This persistent increase in debt is a reflection of the philosophy of our government in the first 140 years of operation. During that time, the goal was to be a nation debt-free.

We have mortgaged the future to an incredible degree, to the point that a family of four has \$22,000 in debt.

Our unfunded liabilities for past governmental service, war veterans, contracts and commitments for future spending—by current current costs of defense, welfare and social security—amount to \$100 billion.

This operation of government by the credit card system and the fact that the federal government has engulfed the purchasing power of our present dollar, it is now worth 46 cents of the dollar of 1964 will be 42 cents.

With the cost of necessary goods increasing, how can we expect to stand the tax onslaught in future years?

## Pontoon Beach Village Law Enforcement Off To Good Start

The new village of Pontoon Beach is penniless —no taxes have been collected for its treasury— but this has not impaired its law enforcement. Within 10 minutes after a Pontoon resident was seriously wounded by two shotgun blasts, Police Commissioner Johnson had made an arrest and obtained a verbal confession.

The incident served notice that village officials, assisted by sheriff's deputies, have no intention of tolerating breaches of law and order in their community—regardless of whether they are being paid or not.

Changing fads and styles are often thought of in relation to progress, but we are not so sure about the female hair-dos of recent months. Our view is shared by jail guards, who are finding it necessary to use combs to make sure prisoners have not taken razor blades, small saw blades, narcotics or other articles beneath their curls.

## Tax Rate Gains Reflect New Services, Residents—Problems That Are Universal

Now that Granite City tax rates have "broken the \$4 barrier," reaching \$4.016 for each \$100 assessed valuation in the tax bills being paid this month, the question arises as to whether citizens in this area are likely to soar to such heights.

Most likely to do so, on the basis of its current level, is the combined Madison rate. Already at \$3.897 due to a comparatively small assessment base and rising municipal and school costs, it seems destined to move upward in future years.

Blessed with bridge income and large railroad and utility assessments, Venice is fortunate in having the combination of ample assessed valuation and a relatively small population. Its \$3.321 rate is lower than the total rates in two areas that do not have city services—Nameoki township with \$3.46 and Mitchell with \$3.328. The Nameoki and Mitchell figures rise to \$3.56 and \$3.453 with inclusion of fire district rates.

Factors in tax rises include population expansion, new government services, inflation, pay hikes and changes in the composition of the community. In the latter category, residential growth produces more costs than tax revenue—adding further impetus to efforts to increase the tax base by attracting new and enlarged industrial and commercial activity.

A final thought on the topic of taxes is that it should be kept in perspective. From time to time a taxpayer talks of moving elsewhere to lower his tax burden, but what he does not know is that the people there are considering moving here for the same reason. There is "no place to hide," because every community must have schools, roads, police, fire protection and other basic services.

## Rate Legislation For Its Effect On Free Enterprise, Individuality

So many bills of varying value are introduced in local, county, state and national legislative chambers that it is difficult for citizens to know how to rate each one.

Decisions to support or oppose proposed legislation—voicing of public opinion usually has a major effect on whether it is adopted—can be made easier by considering the following yardstick:

1. Does the proposal limit the role of government in our life and increase each taxpayer's burden?

2. Does the proposal support the individual's freedom of choice? His freedom to generate new ideas? His freedom to make decisions? Or does it further drive each individual into a common mold?

3. Does it widen competition? Does it recognize the free market as the key to production and distribution? Or does it shrink the free market and substitute direction and control by government agencies?

4. Does the proposal make for greater real productivity—for economic growth and steady prices? Or does it slow down progress and add to the instability of money and prices—instability of the over-all economy?

Many state legislative sessions seem long and hectic, but when the U. S. Congress meets in Washington it is conceding that it may be in Washington this year until the traditional Thanksgiving turkeys are carved or even until Yule trees are being decorated.

The Senate has been in session for 100 days, the next question is how they can further extend their sessions once they reach 12 months in length.

## DURING SUMMER—BEWARE OF HEAT EXHAUSTION

Take a hot summer day . . . an energetic person . . . and plenty of vigorous activity. Mix well under a "scorching sun" and you have the ingredients for a perfect case of heat exhaustion (heat prostration).

Heat exhaustion is one of two major types of heat illness. The other is heat stroke (coma). Heat exhaustion is the milder form, and is usually treated by resting in a cool place, drinking plenty of fluids, and taking a cool shower or bath.

Heat stroke is a more serious condition, and is usually treated by cooling the body with ice packs, and giving medical attention. It can be fatal.

## Your Governor Reports

by OTTO KERNER

## PLEASED WITH WORK OF STATE LEGISLATURE

This administration secured more than 90% of its program from the 73rd General Assembly, which recently concluded its regular six-month session.

One of the most important legislative planks in the sales and use taxes. This legislation will yield the state two years ending June 30, 1965, about \$70 million.

The "loophole plugging" measures—coupled with stricter and fairer enforcement of the tax laws—will bring Illinois a total of about \$170 million for the two-year period. These measures constitute a balance in our "no tax" budget for 1963-65.

## Veto Fulfills Pledge

As you know from last week's news reports, I kept my "no tax" pledge by announcing that I would veto the lone tax bill that would veto the lone tax bill.

## Attention Focused On Governor Race

Press-Record readers are quite familiar with Governor Otto Kerner, not only through his conduct of the office during the past three years and from his visits to the Quad-Cities, but also from his weekly column in this page, "Your Governor Reports."

The governor says flatly now as he did a year ago that he will seek re-election next year, ending any speculation over the Democratic nominee.

This immediately turned thoughts to the Republican gubernatorial race and the two candidates currently far out in front of the field in their party—Charles W. Percy and Charles F. Carpenter.

Incumbent's Stands Known There is many sharp contrasts in the two, but a similarity in that each has substantial backing. Each is regarded by the other as a formidable primary foe, and both claim they are ready to defeat Kerner, who has both the advantage and disadvantage of being a well-known name.

Carpenter's chief assets are that he already is a state official, and that he has proven himself in the state and in the nation. He is a vote-getting ability; he won the 1960 election for governor, and he is a member of the U. S. House of Representatives.

Percy's chief assets are that he is a state official, and that he has proven himself in the state and in the nation. He is a vote-getting ability; he won the 1960 election for governor, and he is a member of the U. S. House of Representatives.

Percy is centering much of his activity on the need for more jobs and an accelerated economy, and also is appealing for a "reform" of the two-party system in the Chicago area.

"Darkhorse" Republican gubernatorial candidate, Charles W. Percy, is 43 years old and a record of accomplishment. He is a member of the U. S. House of Representatives, and was his "boy wonder" president, at the age of 29.

## Picnic Areas Aid Vacation Travel

Whether on long vacation journeys, weekend jaunts or even short trips, Quad-City motorists are faced with a challenge: to keep themselves and passengers free from injury.

Summertime generally means increased travel, and an increasing number of driving is being done on high-speed expressways.

Drivers residing here and throughout Illinois are being urged to take advantage of the "365" travel program, which is a "back into their highway travel" and increase their safety by taking advantage of the 365 rest stops and picnic areas that can be reached from state routes.

Frequent stops used to be the practice, but in recent years the motorist has been on "racing rather than driving." In the opinion of Gov. Otto Kerner, when stops are made, it is usually to quickly "gas up" the auto or to chafe at the interruption of an occasional traffic jam.

On rural roads, travelers are urged to watch for farm driveways and blind intersections and corners.

## Venice Appointments For Year Announced

Appointment of city officials and employees by Venice Mayor John E. Harvey for the 1963 fiscal year has been completed.

The appointments are the same as last year with the exception of the city of job city hall building custodian.

Mayor Lee also has announced the appointment of the city hall building custodian.

Appointees include Frank De Witt, chief of police; John E. Byrnes, assistant chief of police; and other city officials.

### MECCA Reviews State Economic Board Program

A detailed discussion of operations of the State of Illinois Board of Economic Development was the main business topic of a 16-monthly dinner meeting of the Metro East Chambers of Commerce Association Monday night at Andrews restaurant in East St. Louis.

Victor deGrazia, recently retired head of the economic board, and his former department chairmen reported and discussed in detail the operations and activities of the board in the surrounding Illinois area.

It was announced by Edward C. Felner, president of the Belleville Chamber of Commerce and the meeting's presiding officer, that Gene Graves, former head of Southwestern Illinois University's Community Planning Department at East St. Louis, was recently named to replace deGrazia as director of the Board of Economic Development.

Bill Awaiting Signature  
In other action at the meeting, attended by 13 area Chambers of Commerce representatives and two guests, Felner reported that the Southwestern Illinois Metropolitan Area Plan Commission bill passed both houses of the Illinois legislature and is now on Governor Kerner's desk.

Francis M. Kaar, manager of the Greater Alton Chamber of Commerce, reported on activities of the Illinois Association of Chamber of Commerce Executives' two-day mid-year meeting held in Belleville in May.

Reports on the status of a metropolitan area air pollution study and an area skills surveys were postponed because Horace Browder, who was to make the reports, was unable to attend the meeting.

Felner announced that the association's next meeting will be held during the second week of September.

The Quad-Cities were represented by C. E. Townsend and Marian Dobry.

**EVANGELAIRES** from Springfield, Mo., who will participate in Sunday school and morning worship services at the First Assembly of God Church Sunday, July 14, at 9:30 and 10:45 a.m.

A variety of vocal and instrumental music will be presented. Members of the group are Ron Kennedy, baritone, formerly of Casper, Wyo., who has traveled with the Choralists' choir of Springfield; Carol Kennedy, soprano, formerly of Tulsa, Okla., who traveled two summers across the United States with the Christ Ambassadors' trio; Ron Haus, formerly of Roselle Park, N. J., who was pianist for Revivalists, the Assemblies of God international radio broadcast, and traveled with the Crusaders' trio in 32 states and Canada in 1961; and Connie Haus, formerly of San Bernardino, Calif., who traveled with the Melodettes trio of Springfield, Mo. Individual members of the

group have traveled a combined total of 50,000 miles in the past three years.

The Evangelists are presently on a tour of 21 states from the west coast to the east coast. They are being featured on church radio broadcasts across the nation.

All members of the group are students of Central Bible Institute, Springfield. Primary purpose of the institute is to train ministers, missionaries and directors of religious education and sacred music. More than 1000 alumni serve as pastors and assistant pastors, and more than 300 serve under appointment by the Assemblies of God as missionaries to foreign fields.

Michael Brown, 18, and Thomas Brown, 24, both of 1317a Madison avenue, pleaded guilty to theft charges before Police Magistrate Gasparovic Monday afternoon. The case was taken under advisement pending another hearing July 22.  
The younger Brown was charged with burglary of 70 packs of cigarettes at Rita's cafe, Chestnut street and Madison avenue, on June 30, and a theft at a Lincoln Place laundromat. Thomas Brown was charged in connection with the cafe burglary.  
Police said Thomas Brown had been employed at the cafe and had given his brother a key. Property bonds of \$500 were set and the two were returned to jail.

**50 Families On Relief In Nameoki Township**

Relief funds paid out in Nameoki township over the last four months, beginning March 1 and ending June 30, differ only slightly in amount from last year's four-month total. But this year's June total is almost twice the amount paid out in June of last year.  
This year's total for the four-month period—first third of the fiscal year—is \$16,617, or \$103 more than last year's total of \$16,514. The June total is \$4,094 as compared with last year's June figure of \$2,328 and \$4,112 in May 1963.  
Fifty cases involving 141 persons were handled in June 1963, while in June 1962, 33 families with 72 persons were aided. In May 1963, the tallies were 40 and 126.  
In the first four months of this fiscal year, a total of 186 cases were handled involving 544 persons.

**Eagle Park Water Fund Drive To End July 19**  
Cleveland Johnson, president of the Eagle Park Improvement Association, reminded Eagle Park residents this week that they have until July 19 to deposit their water fee or water fund donations with the First National Bank in Madison. Funds are being raised to help finance extension of water lines of the East St. Louis and Interurban Water Co. into the Eagle Park area. The water company has set July 19 as the association's deadline to raise the necessary \$23,885 water deposit. Johnson said that over \$16,500 has been deposited with the bank so far.

### John Gagich Receives Army Employee Award

John Gagich, 2120 Cottage avenue, is one of 104 government employees to receive annual awards at the U.S. Army Aviation and Surface Command in St. Louis.

Gagich's suggestion award of \$300 was the highest of 12 awards given to command employees who made suggestions resulting in monetary savings to the federal government during the past six months. The government's award program is patterned after similar industrial programs and annually results in multi-million dollar savings.

### Lentz in Display Of Weapons In Germany

Army Specialist-Fourth Kale A. Lentz, whose wife, Grace, lives at 2137 Edison avenue, participated in a massive display of missiles, artillery and engine equipment in honor of President Kennedy's visit in Hanau, Germany, June 25, it was announced this week.

Specialist Lentz, a bandsman in the Third Division Band in Germany, entered the Army in November 1960 and completed basic training at Fort Dix, N.J. He went overseas in March 1963. The 28-year-old soldier, son of Mr. and Mrs. Paul A. Lentz, Mount Wolf, Pa., attended Manchester high school.

### \$58,000 Grant To County Mental Health Clinics

A \$58,000 grant to the Madison County Mental Health Clinics at Granite City and Alton has been announced by Gov. Orin Kern. Allocations totaling \$24 million will be taken mostly from funds collected from relatives of patients in state mental hospitals. The federal government is providing \$283,000. "Last year our total grants for community mental health services exceeded \$2 million for the first time," the governor said. "This year we have increased this total by nearly \$250,000. Adding the \$283,900 in grants for the new-day programs for the mentally retarded, it amounts to better than a half million-dollar increase."

Grants from the state, supplement local funds. This year, for every dollar of local money, the state will match it with \$1.32. More than 17,000 patients were seen in state-aided clinics last year. About 1,000 were patients on conditional discharge from state hospitals.

## Mitchell Kiwanians Hear Convention Report

A report to the Mitchell Kiwanis club on the Kiwanis International convention held in Atlantic City, N. J., June 30 through July 4 was presented by the Mitchell delegate to the convention, John Sands, Monday evening at a regular dinner meeting of the Kiwanians.

Sands reported that the major business of the convention which was attended by 16,000 Kiwanians from all over the

world, was adoption of 13 amendments to the international by-laws.

A guest of honor at the Monday dinner meeting which was attended by six Kiwanians, was 12-year-old Miss Sandra Kay Short, a granddaughter of Tom Short of the Mitchell club. Miss Short, who was recently dismissed from the hospital after undergoing surgery, has volunteered her services many times in serving food at the regular dinner meetings of the Mitchell Kiwanians.

Presiding at the meeting, was Vice-President Gene Duret.

## 200 Sub-Piers To Support 2 SWIU Buildings

Caisson drilling has been started for the first two buildings on Southwestern Illinois University's Quad-City-Edwardsville campus.

Spiral drilling machines of the Wabash Drilling Co., a sub-contractor of the Frain-Colton Co., general contractor, sank the first of 200 sub-piers that will support the library and general classrooms and faculty offices buildings on the new campus.

According to John Randall, associate university architect, Dames and Moore, soil engineers, prior to the pouring of support concrete.

Excavation work on the basements of both of the two structures is continuing in conjunction with the drilling operations.

are bell-bottomed, and are being drilled to reach a load-bearing surface of modified shale.

Four to six machines are on the site of the classrooms building last week, and it is expected that from four to six of the machines will be employed before the job is completed, Randall said.

On-the-site inspections of the base of each caisson are being provided by soil consultants of Dames and Moore, soil engineers, prior to the pouring of support concrete.

Excavation work on the basements of both of the two structures is continuing in conjunction with the drilling operations.

Construction of the Quad-City Edwardsville campus was initiated with the letting of bids totaling more than \$6.7 million by the university board of trustees on April 26. Ground was broken on May 2 and the building of a construction road and the excavation started immediately. It is estimated that the first two buildings will be completed late next year.

On July 21, the associate university architect will open bids for the construction of a science laboratory and faculty offices building, the third of six structures planned for the initial stage of building on the Edwardsville campus.

### Postmasters Urge Use Of ZIP-Code Numbers

Quad-City postmasters announced today that individual "ZIP" cards, prepared and signed personally by mail carriers, will be delivered to every patron served by the Granite City, Madison and Venice post offices.

In the personalized message from the mail carrier every patron is being urged to keep his card for ready reference and to immediately begin including his ZIP-Code number in his return address after city and state.

Patrons also were urged to ask persons with whom they correspond to use their code number. Thereafter they are asked to jot down the ZIP-Code number for the persons with whom they most frequently correspond, and use it in each address.

Area postmasters said that the ZIP-Code system has not been in operation long enough to make any comment as to how well it is working. Many persons are not as yet using it.

In urging public cooperation, local postmasters said the ZIP-Code system is designed to speed mail deliveries and to reduce the possibilities of mis-sent mail.

### Mrs. Magdalena Dick Succumbs In Hospital

Mrs. Magdalena M. Dick, 68, of 2445a East 24th street died at 3:20 p.m. Monday at St. Elizabeth Hospital. She had been ill for about a year, and had been hospitalized for two weeks.

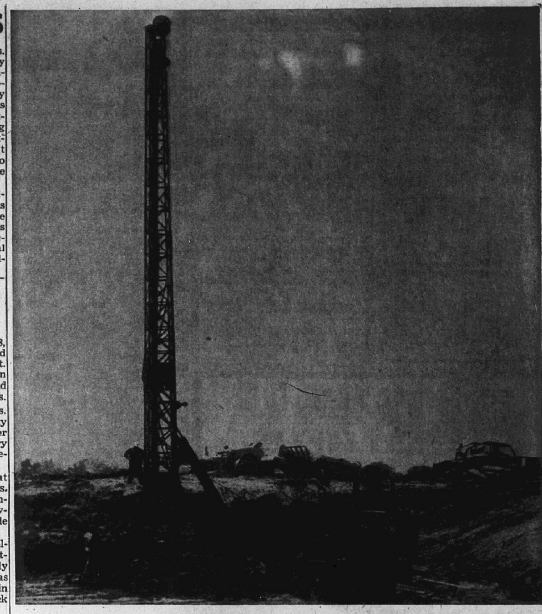

Born in Bellefonte, Pa., Mrs. Dick had lived in Granite City for 43 years and was the former owner and operator of a dry goods store at her home. She retired from the store in 1956.

A Sunday school teacher at Trinity Methodist Church, Mrs. Dick was a member of the Women's Society of Christian Service and Pythian Sisters Cascade Temple 216.

She was first married to William Eseli, who died in 1918 after they had been married only a year. In 1920, Mrs. Dick was married to George A. Dick in Jefferson City, Mo. Mr. Dick died in 1961.

Mrs. Dick is survived by a daughter from her first marriage, Mrs. Edward (Olivia) Haven; three sisters, Mrs. Anna Gramsack of O'Fallon, Ill., and Mrs. Ella Ogle McKittick and Mrs. Olivia Lehman, both of Granite City; and one grandson.

Services were held this afternoon at a local funeral home with burial at Sunset Hill Cemetery. Arrangements are given in the obituary column.

CAISSON DRILLING has been started for the first two buildings on Southwestern Illinois University's Quad-City-Edwardsville campus. The above photo shows a spiral drilling machine sinking the first of 200 sub-piers that will support the library and general classrooms and faculty offices building.

To the right is a closeup view of the drilling with soil engineers inspecting the base of each pier prior to the pouring of support concrete. Excavation of the basement areas of both buildings is continuing in conjunction with the drilling. Two hundred of the sub-piers, drilled to a load-bearing surface at the 45 to 50 foot below basement level, will support the two buildings.

### Trash Fire On Truck, Weed Fire Bring Firemen

Granite City firemen were called to East 23rd and August streets at 2:05 p.m. Monday to extinguish a trash fire burning in the bed of a 1949 pickup truck owned by Lindell Moore, 2215 Lincoln avenue. Damage was estimated at \$20.

Firemen also were called at 11:07 a.m. Tuesday to a weed fire in a field at the rear of the 2800 block of Circle drive. There was no damage.

### Funeral Rites Held For Former Resident

Funeral services for Mrs. Ellen Wilson Emert, 43, of Los Angeles, Calif., formerly of Granite City, were held yesterday afternoon at Dixon, Mo., with burial there.

Mrs. Emert died July 3 in Los Angeles General Hospital. She suffered a cerebral hemorrhage June 7 while crossing a Los Angeles street and had been hospitalized since then. Surgery had been performed.

She was shopping in preparation for a vacation trip here to visit friends when the attack occurred. She moved to Los Angeles in 1961 after spending most of her life here. She was born in St. Louis and attended local schools.

She was employed by Travelers Insurance Co. since 1957, and worked for Granite City Steel Co. and Illinois Power Co. during the 1940s.

Survivors include an aunt, Mrs. Willard Simpson, Granite City; a sister, Mrs. Carl D. (Sue) Forth, Springfield; and a brother, Eugene Wilson, San Francisco, Calif., formerly of Granite City.

## Five Are Seeking Army Depot Queen Title; Coronation At Annual Picnic

Highlight of the all-day Army Depot picnic to be held at the Chain of Rocks Park on Saturday, July 20, will be the coronation of the 1963 Depot queen.

Five candidates in the running since June 7 are awaiting with anticipation—as are all Depot personnel—to see who the

new queen will be. The winner will be selected on the basis of the number of votes compiled through ticket sales.

The new queen, whose identity will not be known until shortly before ceremonies at the picnic, will be crowned by the retiring queen, Mrs. Albert Grapas, formerly Miss Connie Maj-

kut, who left the Depot in June to be married.

List of Candidates

Candidates from the Quad-Cities are:

Mrs. Sandi Coatney, who resides at 1748 Poplar street with her three children, Jeffrey William, five years, Rench Lynn, three, and Kenneth Jay two. She is sponsored by the Directorate of Administration and is secretary to the Adjutant. Her hobbies and interests are reading, sewing, swimming and bowling, but her three main interests are those named above.

Mrs. Mary Stokes, housewife, the wife of Sfc. Billy J. Stokes, Headquarters Company, 583rd Engineer Group, sponsored by the Group, resides on the post with her husband and two children, Joe, age six, and Vickie Lynn, four. She is originally from Texas. Her hobbies include swimming, bowling, dancing and tennis.

Mrs. Helen Testerman, who resides at 1622 Poplar street with her husband, Marshall, and son, Michael, four, and who is sponsored by Communication Division. A teletype and tele-

phone operator on post she enjoys swimming and bowling.

Miss Sharon Reynolds, 2907 Buxton avenue, representing Maintenance Division, has interests in swimming, volleyball and reading.

Mrs. Carol McHattton, 203 Cadet, East Alton, a machine operator in the Electrical and Accounting Machine Division. She and her husband, Richard, have four children, Mike, eight, Kevin, seven, Linda, four, and Steven, two and a half. Her main interest outside of her family is bowling.

Coronation of the queen will climax a day of festivities, including children's contest games and adult contests, with prizes to be awarded, and rides and refreshment concessions.

## Methodists Of Southern Illinois To Hold Fiesta

An anticipated 8000 Southern Methodists will gather at the DuQuoin State Fairgrounds Saturday for the second annual Methodist Holiday, a religious fiesta.

Modern version of the historic Methodist camp meeting, the event is styled as "an adventure in religion." The first Methodist Holiday in 1962 attracted more than 4000 persons to the fairgrounds.

Methodist Bishop James Walton Henley, episcopal leader of the Jacksonville, Fla., area will be preacher for the day, which will begin at 2:30 p.m. and close at 8:30 p.m. Bishop Edwin Edgar Voigt of the Illinois Area, Springfield, has invited Methodist families and their friends to attend the holiday for "physical and spiritual refreshment."

Of special interest to families will be selection at night of "the most Methodist Methodist family" of the Southern Illinois Conference, which includes 39 counties and numbers 77,331 church members in 464 churches.

Other highlights will include appearance of 250 men, attired in black trousers, white shirts and black ties, who will form a chorus to sing a medley of hymns written by Charles and John Wesley. The church this year is celebrating the 225th anniversary of John Wesley's religious experience on Aldersgate street, London.

John Wesley, founder of the Methodist Church, and his brother, Charles, wrote thousands

## Bridge Traffic Down In June Up 4% For Year

Traffic over the McKinley Bridge showed a slight drop in June, totaling 409,712 as compared to 412,009 in June 1962, a monthly report disclosed this week.

For the first three-quarters of the 1962-63 bridge fiscal year crossings total 3,630,331, up 4% over the 3,479,351 tally a year ago at this time.

The count during the month just ended included 98,084 in the first week, 97,221 on June 8-14, 98,694 in the third week and 98,600 in the June 22-28 span, with 17,113 on the final two days of the month. The all-time record for one week is 99,319, set July 22-28, 1962.

Daily average was 13,657, compared to 12,155 in January, 12,638 in February, 13,076 in March, 13,960 in April and 13,701 in May.

If the 4% gain continues throughout the year, which ends Sept. 30, the Venice-owned Mississippi River structure will come close to a 5,000,000 traffic level. Highest previous total was 4,742,868 in 1961-62.

### Tea To Honor Guest From South Wales

Mrs. S. M. Wilson, 12 Terrace Lane, will entertain with a tea July 14 honoring Mrs. M. Bevan Smedley, F.L.S.M. of South Wales, who is spending several weeks in St. Louis with her nephew, William J. Thomas, and Mrs. Thomas, formerly of Granite City.

The visitor, an educationist, is a gold medal winner and winner of six firsts at the National Educational.

Mrs. Thomas, M.M., who will be remembered as Mabel Windsor Thomas, is director of the Scottish Rite Woman's Choral club of St. Louis, and also serves as organist and choir director at Scruggs Memorial Church.

Mrs. Smedley, who is engaged in teaching and adjudicating National Educational each year, comes in contact with several hundred Americans going abroad for the events.

### OKLAHOMANS HERE

Mr. and Mrs. Charles Box and their children, Kathy and Craig of Altus, Okla., are guests this week of Mrs. Box's parents, Mr. and Mrs. Arthur May, 2301 Cleveland blvd.

"THE BREAD OF GOD IS HE WHICH COMETH DOWN FROM HEAVEN, AND GIVETH LIFE UNTO THE WORLD."

—John 6:33

### Former Resident Here From West

Mrs. Mary Cicka of Antioch, Calif., formerly of Granite City, has arrived here to spend several weeks with relatives.

She will be the guests of her son and daughter-in-law, Mr. and Mrs. Mike Nagle, 2345 Clark avenue, her mother, Mrs. Antonia Sprajcar, her brother and sister-in-law, Mr. and Mrs. Rudolph Sprajcar, 2344 Iowa street, Mr. and Mrs. Edward Sprajcar and Mr. and Mrs. Joseph Sprajcar of Madison, and Mr. and Mrs. Victor Sprajcar and Mr. and Mrs. Paul Cicka of St. Louis.

### SURPRISED ON

WEDDING ANNIVERSARY Mr. and Mrs. Emerson C. Williams, 2545 Twenty-seventh street, were guests of honor this week at a surprise party and buffet luncheon given by their sons-in-law and daughters, Mr. and Mrs. Mike Schiefer of Caseyville, and Mr. and Mrs. Marvin Eschmann of Edwardsville at the home of the latter couple in honor of their silver wedding anniversary.

Among the relatives and friends attending were Mrs. Dora Williams and Mr. and Mrs. Finley Maxwell of Granite City, Mrs. Alva Barbe, Mr. and Mrs. Melvin Lee and family and Mr. and Mrs. Louman Reynolds of Madison, Mr. and Mrs. Bert Williams of Collinsville and Mr. and Mrs. Edward Eschmann of Dupo.

### MITALOVICH VISITING RELATIVES IN EUROPE

Nick Mitalovich, a former Madisonian now living in St. Louis, is in Giesen, Germany, to visit his son, Specialist-fifth Jack Mitalovich and family. While in Europe, he will visit Yugoslavia and other places in Europe, remaining indefinitely.

The visit is worldful, as he will see his only grandson as well as relatives who formerly lived in Madison. The trip was made by jet from Chicago.

MISS BEVERLY ANN HALL, who will be an August bride. A daughter of Mr. and Mrs. Carroll Hall, Rural Route One, her engagement to Donald Ray Lee, son of Mr. and Mrs. Raphael Lee, 1404 Highland avenue, Collinsville, has just been announced by her parents.

### VISITING RELATIVES

Mr. and Mrs. Jack Mawdsley and daughters, Kim and Beth, of Battle Creek, Mich., are here for a fortnight's visit with their mothers, Mrs. Walter Mawdsley sr., 2613 Madison avenue, and Mrs. E. D. Mawdsley, 2292 Delmar avenue.

**Man Loses Big Toe In Power Mower Accident**  
 An accident with a power mower Monday afternoon, resulted in a Madison man losing his left big toe in surgery at St. Elizabeth Hospital.  
 George Sikora, 41, had finished mowing grass beside the sidewalk in front of his home 1616 Third street and was dragging the mower up concrete steps into his yard when the blade of the mower which was still running, hit his left foot. The blade sliced through his shoe, mangling the large toe and slightly lacerating the next toe. X-rays were taken at the hospital before he underwent surgery.

**DOWNSTATE FISHERMAN'S GUIDE**  
 By C. A. FRAZER  
 Old Mr. Whiskers has taken the play from his scaly cousin. This fish, planted over a year ago, are surviving but apparently are not making much growth, he said. It was hoped the cooler, deeper water of the pits would be favorable to the smallmouth, Lewis also reported another disappointment involving channel catfish planted in a strip pit. So far, there is no evidence they have spawned, he said.  
 Did you ever wonder about the origin of those distinctive Reelfoot Lake boats, pointed on both ends, sheathed in metal and equipped with bow-facing oars? A few are making their appearance in other parts of the country, now modernized with little air-cooled inboard engines.  
 Mrs. Willard Gersbacher, wife of a professor of zoology at Southern Illinois University, has been studying the heron nesting sites at the famous Tennessee lake, which was created by an earthquake in 1811, and decided to check up on the boats as well as the birds. She found they are still being made by the third generation of a boat-building family, and the patent for the bow-facing oars was issued in 1884.  
 She is writing a history of the little craft for the Tennessee Academy of Science.

 RECREATION PROGRAM  
 John Birdsong, director of the Lincoln Place Community Center, is announcing free activities available to Lincoln Place children.  
 Nature study is being held each Monday and Thursday from 10:15 to 11:15 a.m. for those aged seven to 13. Nature hikes and walks and studies of insects and leaves are being conducted. Current subject of collections is the butterfly.  
 Softball is played by boys and girls at 9:30 each day except Friday for the seven- to 13 age group, and movies are shown at 9:30 a.m. each Friday for children and adults. The wading pool is in operation at 1 p.m. each Monday, Tuesday and Thursday for those five to 12, while handicraft classes for youngsters six to 13 take place every Wednesday from 1 to 2:30 p.m. The latter group at present is making candles and candleholders.  
 Tumbling is held each Monday from 1 to 2 p.m., and there is free swimming at the Wilson Park pool each Friday at 1 p.m. (for those registered at their neighborhood playground). The gym is being redecorated and is expected to be finished this week, enabling basketball to start in the near future.  
 HERE FROM MINNESOTA  
 Mr. and Mrs. James Lloyd Harvell, 1838 Poplar street, are entertaining their daughter-in-law, Mrs. Louise Clemens, who has arrived here from Minneapolis, Minn., to spend a while assisting her mother-in-law, who is recuperating from a recent automobile accident in which she suffered many fractures.  
 Mr. and Mrs. George Wester and son, George Lee Wester, Brentwood, Mo., are touring Europe. They are visiting relatives and friends in Vienna, Austria, Budapest, Hungary, parts of Germany, Paris, France, Rome, Italy, and Yugoslavia, Sweden, Rumania, and other places of interest.  
 Mrs. Wester is the former Mary Jane Veres, daughter of Mr. and Mrs. Joseph Veres, 1724 Cedar street.  
 Guests attending a gathering at the home of Mr. and Mrs. Walter Norn were Mr. and Mrs. Nick Kosick, Mr. and Mrs. Paul Gages, Mr. and Mrs. Steven Basarich, Mr. and Mrs. John Sues, Mr. and Mrs. Paul Dineff and Misses Julia Lotzy, Betty Eliek and Diane Norn. # First, Last-Place Clubs To Face In-Betweeners Mercer And Hearts

Moose Lodge No. 4, Red division leaders and the only Southwestern Illinois Inter-City Baseball league team which can claim a win over rampaging St. Clair Heating Co. in the Blue division, furnishes the opposition here Sunday as Granite City's Sacred Heart seeks to get back into contention in the amateur loop.

The Hearts, who fell farther behind last Sunday when they lost to GC rival Mercer while Moose Lodge was clipping St. Clair, will take to diamond No. 1 at Wilson Park at 2:30 p.m. Sunday.

Mercer, in good shape as far as the approaching playoffs in the Blue division are concerned, picks Sunday for an on-the-road game against Granite City's last-place club in the Red division.

The Boosters have won only three times in 11 games this season, but one of those victories was by a 2-1 score over Mercer here on June 2.

The Hearts, on the other hand, are responsible for one of the four losses suffered by Moose Lodge in 11 contests this summer—they beat the Moosemen 5-4, also on June 2.

Other Sunday games scheduled as I-C clubs swing back into action following the all-star game break will pit St. Clair Heating against the Troy Redbirds in East St. Louis, Pocahontas against Carpenter on the latter's field, and the Allwood Flyers against the Red Sox in Maryland.

**Reschedule 2 Games**  
Rescheduling of rained-out games this week by league Secretary Henry Huser involved both Granite City teams.

The Hearts and Allwood will make up an April 28 rainout as part of a doubleheader here on Aug. 11, while Mercer and Moose Lodge are scheduled to play another April 28 washout as part of a twin-bill in East St. Louis on Aug. 18.

## Rotary Horse Show Aug. 25 To Be Largest Ever Held In Quad-Cities

Plans are nearing completion for the fourth annual Western Horse Show sponsored by the Granite City Rotary club Sunday, Aug. 25, at the Tri-City Speedway, Mitchell.

Edward Meng, publicity chairman, reports that the annual event will feature over 300 horses and 15 events, and will be the biggest horse show ever sponsored by the Rotary club.

The show will open at 1 p.m. with a colorful grand entry parade. All horses and riders, the latter dressed in western attire, will participate.

Meng said that admission prices are \$1 for adults and 50 cents for children under 12. He added that tickets for the show may be purchased from any local Rotarian or at the box office on the day of the show.

Some of the horse and events in this year's show, which is being coordinated by General Chairman B. E. Noody, are quarter-horse events in three divisions, a flag race, registered Appaloosa events in three divisions, junior western pleasure, parade, ladies' western pleasure, barrel race, Madison county pleasure, gentleman's western pleasure, speed race, Shetland pony races, plug, reigning class and trail horse class.

Classes of horses and events will be explained in detail in later issues of the Press-Record.

Meng pointed out that the show will be operated under Illinois and National horse show standards and that all riders must be dressed in western fashion to be eligible for prizes. Proceeds from the show, as in the past, will be used to support community projects.

To determine a pitcher's earned run average, multiply the total earned runs charged against his pitching by nine, and divide the result by the total number of innings he pitched.

### 35-Plus Lead To Merchants After 2 Wins

The Bellemore Merchants moved into first place in the 35-Plus Slow Pitch Softball league standings by scoring a pair of victories Monday night at Wilson Park.

The Merchants ripped VFW Post 1300 by a 16-2 count in the first game, and then edged Club Delmar 15-14 in a contest which followed Allwood Fuel's 11-7 conquest of former league-leading GC Trust & Savings Bank.

Monday's play left only half a game separating the league's three leading contenders.

Babe Amelung and Millard Schwendeman each drove in three runs in the Merchants' easy win over Post 1300 and losing pitcher Ed Camper, who gave up 20 hits. The Veterans had eight hits off winner Pat Patterson.

Whitely McComis had four hits and Amelung and Schwendeman helped out again in the one-run squeaker over Club Delmar. Amelung drove in four runs and Schwendeman plated two with a second inning triple.

Delmar's starting pitcher, Lenny Fuchs, had two doubles and a single in three trips, while Ted Sabo drove in three runs for the losers, who out-hit Bellemore 20-19 in a wild game which was not decided until the Merchants scored four times in the seventh. Patterson was again the winning pitcher.

**Overcome 5-0 Lead**  
Allwood handed the Bankers their second straight defeat after the club had won four straight. Behind 5-0 after three innings, Allwood scored 11 runs in the final four innings. Rufus Keiner and Harold Mainor each collected three hits for Allwood.

Bud Lockhart and Howard Harris each hit safely four times for Trust Bank, which outslugged the winners 10-13.

Paul Thomson was the winner and Ollie Jacobsmeyer the loser.
